

SPECIAL ANNOUNCEMENT!

AWTREY MIDDLE SCHOOL

is a “Leader in Me” school,
the first middle school in the Cobb County School District
to pursue this leadership development initiative!

The Leader in Me is Franklin Covey’s transformation process that teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader.

Let’s get ready to transform each of our students into more effective leaders, using their unique talents and skills to serve!

Each student will receive a LEAD journal to learn, practice and celebrate the leadership habits, and our new Viking Time will be used to support these leadership lessons. We need your help to provide all of our students this special resource to extend their learning from their traditional class schedule.

Please select one of the options below to support the purchase of a LEAD journal for your student:
