

# AWTREY MIDDLE SCHOOL

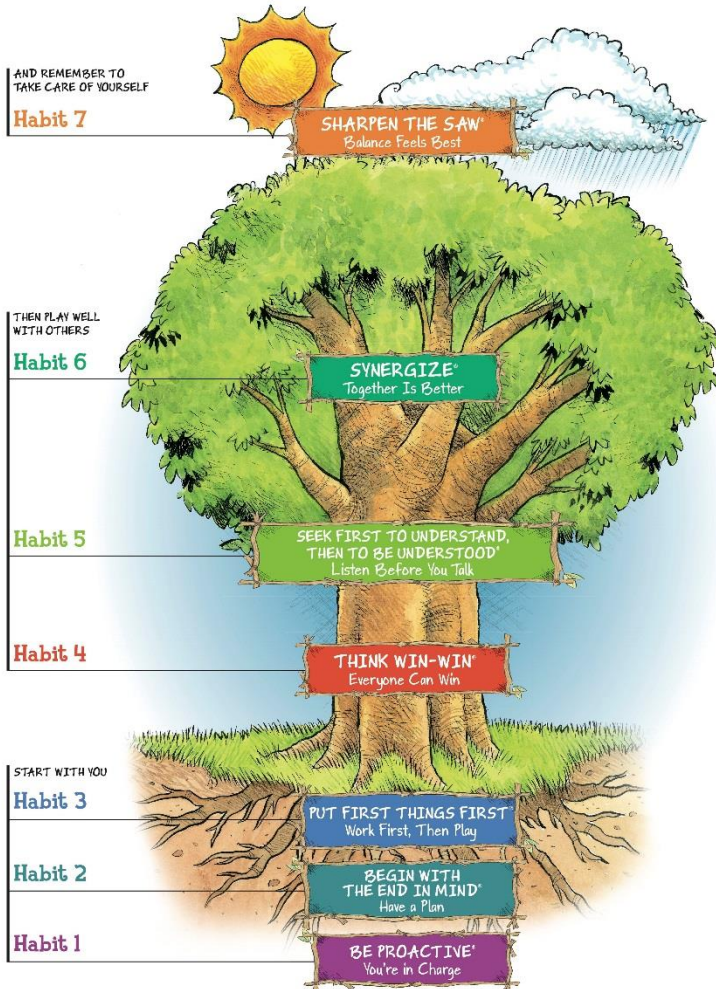

*“Empowering Everyone to be the Best Version of Themselves”*

Awtrey Middle School is proud to be a Leader in Me and PBIS school to develop our students to be the leaders they are meant to be.

## The 7 Habits® Tree

*The Leader in Me* provides our school with the vision and language to lead the school in a way that addresses student development. As each student discovers and develops his/her unique gifts and talents, they are given opportunities to lead. As leaders, they become active, engaged partners in their own education and their self-confidence, responsibility, and initiative grows. The student quickly understand the benefits of different gifts and talents; they learn to listen to new ideas, work together to achieve results, and motivate one another to be the best.

This leadership focus unites with the framework of PBIS to highlight our priority to continuously improve social, emotional and academic outcomes for all students. We celebrate our school-wide expectations of “Respect Self, Respect Others, Respect Property” and PBIS Rewards is used to support students and families in monitoring student success.

Thank you for being our partner in education as we achieve our mission of “Empowering Everyone to the Best Version of Themselves”.
