

MEET THE PRINCIPAL

Belmont Hills Elementary

Dr. Ashley Campoli

It is with great excitement that I join you in ushering in another exciting year at Belmont Hills. I am thrilled to partner with you for the second year in continuing the tradition of excellence and student achievement, and I look forward to ensuring that Belmont Hills is *the BEST place to teach, lead, and learn!!*

I have 18 years of educational experience with the past year as your proud principal. Before that, I spent nine years in administration at both the elementary and high school level. I was an assistant principal at Varner, Kemp, McEachern and Pope. Before my time as an administrator, I was an Area Lead Teacher for CCSD and a teacher at Bullard Elementary; I also taught in Alabama for several years. I attended Auburn University and received a Bachelor's degree in education from the University of South Alabama. I then attended Kennesaw State University and received a Master's in Educational

Leadership with a Technology Concentration. In 2011, I graduated from the University of Southern Mississippi with a Ph.D. in Educational Leadership.

My husband, Mark, and I live in Kennesaw with our two children Camden (5) and Cate (4). I love to spend time with my family and entertain the kids with fun activities around town. I enjoy playing tennis, taking pictures, traveling with my family, and watching Auburn football.

It is my goal to work with the staff and community of Belmont Hills to fulfill our school mission: *Design, Build, Improve.*

Together, we will ensure the safety and education of every student. In addition, we will *Unite Innovative Leaders who are Dedicated to Learning* by having a strong home to school connection.

As always, I have an "open door" policy, so please do not hesitate to call or stop by the school if you have a question or concern. Your child's education and well-being are of upmost importance to me.

Warm regards,

Ashley Campoli, Ph.D.
Proud Principal of "The Hills"
