Subject: Cobb County School District is giving our students Office for FREE
To: parent@email.com

Dear CCSD Parent,

Cobb County School District is pleased to offer Microsoft Office 365 to all students, FREE of charge.

During the 2016-17 school year, you made the decision for *Student Name* to 'opt-out' of receiving this FREE resource.

If you would like to change your decision and allow for your child to have access to Microsoft Office 365, [click on this LINK](#) to change your decision.

More information about Office 365 and the Office 2016 Suite:

Microsoft Office 365 is a collection of applications and resources that allows students to collaborate, edit, share, and store their schoolwork online. With Office 365, students will have access to Word Online for writing; Excel Online for spreadsheets and data documentation; PowerPoint for presentations; OneNote for organization and note taking; OneDrive for 1 Terabyte of storage for student classwork, and much more!

The Microsoft Office 365 platform will enhance student development of 21st century learning skills, as well as help students develop a college/career-ready skillset.

Students also have the ability to download the full version of the Microsoft Office 2016 suite on their personal device(s).
