

Student Leaders from Floyd Middle School served as PAGES for Rep. David Wilkerson (District 38) on Wednesday, March 11, 2015. It was an exciting day for the students to actually visit the floor of the State House of Representatives and witness legislation in action! Eighth grade students were able to see connections to their study of state government and the legislative branch that day. Left to Right: Malcom Phillips, David Wilkerson, Jr., Tyree Jackson, Representative David Wilkerson, Kiara King, Olivia Wilkerson, Brandon Robinson, and George Lester.
