This is Maxine Chriszt's last meeting. She has been with Ford for 13 years and has been a wonderful addition to Ford. She will be missed by the Council and by Ford.

Cindy Kennedy updated the survey results. We used Survey Monkey and at this time we can only access 100 results. Committee is going to send out another email reminder to complete the survey.

We will have to elect a one new member in the fall. It was recommended that the new council members write a paragraph that explains why they want to be on the Council.

Summer communication with the council will be through email.

August 12, 2014 from 7:30-8:30 will be our first School Council Meeting in the fall.
