

## **School Hours & Important Transportation Info**

**7:15 AM – 2:15 PM**

**In order to maintain safe and effective operations for all Frey students, we must provide clear and consistent expectations for all parents as well. Thank you in advance for reading, learning, and adhering to the following guidelines:**

1. Please understand and respect that there is no staff supervision before 7:15, and the front doors remain locked until this time each morning. Therefore, no students should be dropped off before 7:15, and all parents are expected either to remain in the carline or to park and personally walk your student to the front door.
2. Students are considered tardy at the 7:50 bell. This is when our instructional day begins and our morning announcements are broadcast in our classrooms. Therefore, students are considered tardy if they are not in their class when the bell rings.
3. For an early check-out or a transportation change other than your normal daily arrangements, parents are required to send in a note that morning with each of their students. Any temporary bus change must be on the district bus pass or the driver cannot accept it. Click link below to print. <http://www.cobbk12.org/centraloffice/Transportation/Bus%20Pass.pdf>
4. Early dismissals are accepted up until 1:45 PM. If you arrive to check out your student AFTER 1:45 PM, please accept our apologies as we will not call into the classrooms. Students will be dismissed at the normal time using the transportation arrangements for that day.
5. Any transportation changes must be sent in the morning in written form to your student's teacher (please include notes for each student). All last minute transportation changes that come up must also be completed by 1:45 PM to ensure that we have adequate time to communicate this with your student and the teacher. For safety reasons, no transportation changes will be communicated after 1:45.
6. All car riders must be picked up by 2:40 PM, or they will be placed in our After School Program (ASP). See our ASP page for more information.

Thank You,

Jason Cathey

Principal
