This year's NCBA 5K-9 is being held to benefit the Cobb County District Attorney's Office by helping to fund the purchase of a service animal for their Children's and Elderly Abuse Court. A service animal specially trained as a Comfort Dog will greatly help to reduce the stress level for victims before and during their court hearing.

The Northeast Cobb Business Association 5K-9 is an event with which the association raises funds to help our community. Thus far, NCBA has provided a service dog to the Cobb County Police Department, Cobb Sheriff's Office, an autistic Cobb County Student and last year, NCBA provided a service dog to a Cobb County Navy Veteran suffering from PTSD and donated \$2,000.00 to the Cobb County Fire Department for oxygen masks designed for pets. Please join and support us as we look to make a difference in helping our District Attorney's Office.
