

PM Transportation Changes

For the safety and security of our students, all afternoon transportation changes must be made in writing to your child's teacher on the morning of the needed change.

We will not be able to accept transportation changes during the school day by phone, email or fax.

In emergency situations, parents must speak with an administrator for last minute transportation changes.

If a student is riding the bus for the first time, he or she must report to the front office with the parent or a note from the parent to receive a bus pass.
