Club INFO

Academic Clubs

Book Club

The MES book club is looking for students who love to read. Join us as we engage in a variety of fun filled book discussions, and activities. All our titles we will read are Georgia Children's Book Award nominees. Bring your competitive spirit as well. We will also partake in reading bowl competitions. Ultimately, ten book club members will be chosen as our team to represent our school at the Cobb County Reading Bowl in January and hopefully the Regional Reading Bowl in February. So, if you love reading, this is the club to join! Reading Rocks! The club will meet in the Target Room 1035 immediately after school.

Cost of Club: \$25. Sponsors: Tida Bruce-Banfield.

Science Olympiad Team

Science Olympiad is a national organization dedicated to promote science. The Science Olympiad Team is a competition team, this is not a club. Science Olympiad consists of 18 events where students build, explore, and research to prepare for our local competitions. Practices will be on Wednesday afternoons from 2:15 until 4:00 in the STEM LAB. Students will meet every other week during First and Second quarter and may meet once or twice a week during the third quarter. It costs \$15.00 to join the team. If your child is interested in joining the team please email Mr. Splawski (sean.splawski@cobbk12.org) and he will send you an application.

Students must be able to attend these events:

Title I ESO- March 5th, 2016 @ Fair Oaks ES

District ESO- March 19th, 2016 @ Walton

State ESO- May 1

Special Interest Clubs

Robotics Club

Any motivated students interested in learning how to program robots should join the fun. Each week we'll teach you how to build, program, and move robots. The goal is to simply have fun and learn robotics and programming along the way. We will participate in World hour of code in December and Day of Code in April. Students do not need any technical background. We provide the robots, computers, and will teach you what you need to know. All we ask is that you are excited to learn and can attend most weeks. This club will meet in the Target Room 1035. Day and time to be determined soon. Sponsor: Tida Bruce-Banfield, Club Costs: General Club - \$25. FLL Club: \$50.

Starbase 1.5 Club at Mableton

For interested 3rd, 4th, and 5th grade students who would like to learn more about aerospace engineering. Club meetings will be held on Monday afternoons from 2:45 - 3:30 p.m. starting in January. There is no cost associated with this club. Students will complete an aerospace engineering unit complete with STEM activities and a graduation ceremony in May. Meetings will take place in Mrs. Davis' room and the Starbase Lab Room. Sponsor: Alana Davis

MES

Chorus- Calling all 4th and 5th grade singers! Young students who enjoy using their voices as harmonious instruments are invited to join the Mableton Chorus. If you are interested in chorus, please pick up a flyer from Ms. Maldonado on Monday, September 28th. Meeting days will begin October 1st and meet every Thursday 2:30-3:45 p.m. in the Music Room. There will be lots of shows including PTA meetings, possible Publix holiday performance, and Hawks game performance. Also we will be performing in the Large Group Performance Ensemble concert February 25th or 26th, 2016. The cost for this club is \$15-\$25 shirt & LGPE bus/entrance fee. Sponsor: Holly Maldonado

Student Council

Mableton Elementary Student Council is all about building strong relationship between students and community. Some council activities include Character Education Posters, Red Ribbon Week Posters and set up, Thanksgiving food drive, Jingle Jog help, Book collection, Valentines Relay grams, campus clean-up, teacher goodie bags, and a final celebration. Eligible 2nd, 3rd, 4th, and 5th graders are invited to campaign for student council. The student council's goal is to learn about serving others and their community, learning what it means and how to be a leader and speak to a group (their classes); to show responsibility, leadership and serve our school and community. Student Council will meet on the following date: Sept. 18th, October 16th, November 13th, December 11th, January 15th, February 5th, March 18th, April 15th, May 13th in the Media Center from 2:30-3:30 p.m. Costs - T-Shirt Fee \$ TBA Sponsors: Kristin Bosley, Anthony Pearson, Delane Bickelhaupt

Writing Club ----Calling all aspiring authors! The Fifth Grade Writing Club will begin meeting for the 2015-2016 school year. We will meet every Tuesday morning from 7:15 to 7:45 a.m. in the Writing Lab. Our first meeting will be Tuesday, October 6th. This is a great opportunity to show your creativity and work on fun writing projects. There is no fee to join the Writing Club. Every fifth grade student is invited to join. Permission slips will be sent home in September. Sponsor: Michelle DiGiovine

Math Club -----Math Club gives students an opportunity to start their mornings with a challenge, as they compute, discuss, and solve problems. This year, as in previous years, Math Club participants will participate in a math competition in early spring. Students are referred by their teacher, based on student's interest in math challenges, as well as a commitment to attendance. The club is open to 3rd -5th graders. The club meets on Thursdays at 7:00 a.m. in the Math Lab. Sponsor: Amber Phillips

Art Club- If you are a 5th grader and interested in developing your art skills, then this club is perfect for you! Art Club will meet on Thursday mornings at 7:15 a.m. starting on October 1st in the Art Room. This is a \$25 due associated with this club that will cover the cost of materials. Upstanding, respectful fifth grade behavior is required in order to stay in art club. Sponsor: Cheryl Anthony
