Destiny's Daughters of Promise

DDPGirls is coming to McCleskey in the fall of 2018. Our leadership and academic enrichment sessions help youth develop life skills and navigate their journey toward successful careers. This club offers a safe place where participants can gain experiences and learn information that will lead to good decision-making as they plan for the future.

The program is **limited to 25** girls per school. A one-time \$25 registration fee is required. Monthly sessions are **FREE** after student acceptance. It is never too early for girls to prepare for college and careers. Out-of-school and after-school programs have been suggested as the ideal place to focus on developing skills needed for the 21st century workforce (Schwarz & Stollow, 2006). Register your daughter [today](#).

Program Benefits:

- Fun outings and trips
- Positive role models and mentors
- Community service opportunities
- Career and college exploration
- STEM/STEAM enrichment sessions
- Conflict resolution skills

Next Generation Leader Program (Nx Gen) – 6th – 8th Grade Girls

Nx Gen is a leadership development program offered at various middle schools in Cobb County. Services provide strong interpersonal and critical thinking skills, basic life skills training and “girl talk” to help girls strive for future success. **Sessions at McCleskey Middle School will be held every Thursday from 8:00 – 9:00 AM.**

Student Registration Process:

There are a **limited number** of slots remaining. Acceptance will be on a first come, first served basis. Sign up by going to www.ddpgirls.org and hover over the Programs tab. Click on the **Nx Gen** tab, complete the application and pay the one-time \$25 non-refundable registration fee.
