REGISTRATION INSTRUCTIONS ON REVERSE SIDE

SY2020 FULL YEAR ONLINE ELECTIVE REGISTRATION INSTRUCTIONS

REGISTRATION WINDOW IS OPEN FEBRUARY 28TH – MARCH 14TH

1. Please **READ** the following instructions carefully. We are registering for the **FULL YEAR**, so it is important that you understand the steps required to complete your online registration successfully.
2. **REVIEW** this KMHS 2019-2020 Elective Course Offerings prior to beginning the registration process. Only those elective courses listed on this form will be offered next school year.
3. Log into the online registration website at <http://studentvue.cobbk12.org>. You will use your CCSD ID (student ID) and password. We encourage you to do this from home with your parents.
4. Click on "Course Request" on the left side under Navigation. Your CORE recommendations will be listed. Fall core classes are identified with an ending of "Y" and the Spring core classes with a "B" or "A." All elective classes will end with a "Y."
5. To begin "Click here to change course requests." You will add electives for next school year. The semester in which an elective is placed on your schedule cannot be guaranteed. Do not worry about the credit assigned to a course. Once scheduling is complete the appropriate credit will be assigned. Pay close attention to the Course Number ID. ADD your elective requests until you have a total of **8** classes - including your CORE & ELECTIVES. **AGAIN NO MORE THAN 8 TOTAL CLASSES.**
6. Begin to enter your choices. **ONLY USE THE COURSE NUMBERS LISTED. DO NOT SEARCH FOR COURSES, THIS ONLY SLOWS DOWN THE SCHEDULING PROCESS AND MAY LIMIT WHAT IS AVAILABLE WHEN YOUR SCHEDULE IS FINALLY COMPLETED.**
 - ❖ Enter the Course Number for your first choice into the "Course ID" box.
 - ❖ Click on "Search Courses."
 - ❖ When the course comes up, verify it is the correct course. Then click on one of the three buttons.
 - ❖ "**None**" if you do not want that elective, "**Request**" to choose this course as one of the electives needed to fill your schedule, "**Alternate**" for an alternate choice.
 - ❖ After clicking the appropriate button, select "Click here to move selected requests to Selected Course Requests" box.
 - ❖ Repeat this for each REQUEST until you have 8 total classes, including your CORE recommendations. **NO MORE THAN 8 TOTAL CLASSES!**
 - ❖ Follow the same procedure for your "Alternate" choices. Choose a minimum of 4; you may choose as many as 8. It will require you to number your alternate choices in order of preference.
7. Be aware of pre-requisites. **DO NOT** choose an elective for which you have not met the pre-req. If you register for classes where you do not meet the pre-requisite, **the required class will be chosen for you.**
8. When you are finished entering your electives and **COMPLETELY SATISFIED** with your choices, choose "Click here to return to course request summary". Once there click on "**Lock Course Requests**".
9. If you wish to change a core recommendation from your current teacher, please submit a WAIVER. They can be submitted online by the deadline at <http://kmhs.typepad.com/curriculum/>. This is the only time to submit a WAIVER.

Choose wisely, if you don't want the class...don't request the class!

Remember, there is NO DROP/ADD

Please make sure that you LOCK your requests when you have finished your registration.

WAIVER DEADLINE IS MARCH 28

NO WAIVERS will be accepted in the fall.
