

**Facility Name: Acworth Elementary School**  
**Facility No.: 278**

**Projects:**

---

Add HVAC to Gym

Refresh Obsolete Workstations

Refresh District Printers

Refresh District Servers

Refresh Existing District Network

Computing Device for Every Teacher

Refresh and Enhance Mobile Computing Access District Wide

Copier/Duplicator Refresh

Access Controls

Add School Lettering to Building

Replace Carpet and Tile in selected Areas

Custodial Equipment.

Audio Visual Equipment.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Acworth Primary Elementary School  
**Facility No.:** 0

**Projects:**

---

36 IU Primary School. K-2

Removal of Old Structures

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Acworth Site Middle School  
**Facility No.:** 0

**Projects:**

---

New 71 IU Middle School.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Addison Elementary School  
**Facility No.:** 259

### **Projects:**

---

- Add 1 IU, P.E. Gymnasium with Restrooms
- Install HVAC in Gym
- Modify existing PE Gym to accommodate guidance and administration. New PE to be built
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
- Access Controls
- Provide Canopy for Bus Lanes
- Upgrade locks on Exterior Doors
- Whiteboards
- Custodial Equipment.
- Audio Visual Equipment.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Adult Education Center Special School**  
**Facility No.: 807**

**Projects:**

---

- Main Switchgear & Panel Upgrades
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
  
- Custodial Equipment.
- Audio Visual Equipment.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Argyle Elementary School  
**Facility No.:** 232

### **Projects:**

---

- Main Switchgear & Panel Upgrades
- Painting
- HVAC Main Gym
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
- Access Controls
- Replace Carpet
- Scrape Windows in Cafeteria to Remove Anti-Glare Film.
- Add a Staff Restroom
- Custodial Equipment.
- Audio Visual Equipment.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Austell Elementary School  
**Facility No.:** 276

### **Projects:**

---

- Provide HVAC in Gym
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
- Access Controls
- Add Surveillance Cameras to the back of the Building.
- Build an Additional Outdoor Storage Area
- Custodial Equipment.
- Audio Visual Equipment.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Austell Primary Elementary School  
**Facility No.:** 283

**Projects:**

---

New 36 IU Primary School. K-2

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Awtrey Middle School  
**Facility No.:** 407

### **Projects:**

---

- Main Switchgear & Panel Upgrades
- Replace HVAC in Office, Media Center, Gym and Theater
- HVAC for Main Gym
- Roofing for Sections of Building
- Re-conditioning/metal roof replacement for covered play area
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
- Surveillance Cameras
- Whiteboards
- Add window to the interior wall of the front office.
- Improve Climate Control to Reduce Excessive Humidity in Central Classroom
- Custodial Equipment.
- Audio Visual Equipment.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name:** Baker Elementary School  
**Facility No.:** 256

### **Projects:**

---

HVAC in Main Gym  
Bus Lane Re-paving  
Parking lot Re-paving  
Refresh Obsolete Workstations  
Refresh District Printers  
Refresh District Servers  
Refresh Existing District Network  
Computing Device for Every Teacher  
Refresh and Enhance Mobile Computing Access District Wide  
Copier/Duplicator Refresh  
Access Controls  
Provide canopy for front area and bus area  
Surround School with Fencing and a Gated Entrance  
Custodial Equipment.  
Audio Visual Equipment.

**Facility Name: Barnes Education Center**  
**Facility No.: 405**

**Projects:**

---

- Main Switchgear & Panel Upgrades
- Replace HVAC system for old school
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
  
- Surveillance Cameras
- Provide Access Control at Entrances
- Custodial Equipment.
- Audio Visual Equipment.

**Facility Name:** Bells Ferry Elementary School  
**Facility No.:** 235

**Projects:**

---

- Main Switchgear & Panel Upgrades
- Painting
- HVAC Main Gym
- Bus Lane Re-paving
- Parking Lot Re-paving
- Re-conditioning/metal roof replacement for covered play area
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
- Access Controls
- Add Restroom in the Pre Kindergarten
- Build Canopy over Sidewalk
- Upgrade Playground Area to Improve Drainage Problems
- Custodial Equipment.
- Audio Visual Equipment.

**Facility Name: Belmont Hills Elementary School**  
**Facility No.: 214**

**Projects:**

---

- Main Switchgear & Panel Upgrades
- Replace HVAC system
- HVAC Main gym
- Replace Water Piping, Plumbing Fixtures, and Hose Bibs
- Re-conditioning/metal roof replacement for covered play area
- Refresh Obsolete Workstations
- Refresh District Printers
- Refresh District Servers
- Refresh Existing District Network
- Computing Device for Every Teacher
- Refresh and Enhance Mobile Computing Access District Wide
- Copier/Duplicator Refresh
- Access Controls
- Replace Carpet
- Plant Sod in the Playground Area
- Landscape Around Building
- Replace Cafeteria Tables
- Custodial Equipment.
- Audio Visual Equipment.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Big Shanty Elementary School**  
**Facility No.: 240**

### **Projects:**

---

Main Switchgear & Panel Upgrades

Painting

Replace HVAC System for 1988 Addition

Replace Water Piping, Plumbing Fixtures, and Hose Bibs

Re-conditioning/metal roof replacement for covered play area

Refresh Obsolete Workstations

Refresh District Printers

Refresh District Servers

Refresh Existing District Network

Computing Device for Every Teacher

Refresh and Enhance Mobile Computing Access District Wide

Copier/Duplicator Refresh

Access Controls

Install Water Fountain in Gym

Replace Office Furniture

Build Outdoor Storage Unit

Whiteboards

**Projects:**

---

Custodial Equipment.

Audio Visual Equipment.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Cobb County System Wide**

**Facility No.:**

### **Projects:**

---

As new students and staff with significant physical disabilities move to the Cobb County School District, and as new classes are established in schools which have previously had no students or staff with physical disabilities, modifications to the school facility are frequently needed. Examples include restroom adaptations, adding hot and cold running water to a classroom, door and thresh-hold modifications, handrails and ramps. Section 504 of the Rehabilitation Act and the Americans with Disabilities Act require such modifications to permit physical access.

Growth and attrition will require funding for replacement and new buses/support vehicles for the next five years.

Provide computer for every teacher with appropriate content specific software and training.

Complete copier/duplicator replacement program and commence refresh program.

Includes 236 digital duplicators capable of supporting the needs of local schools and 726 networked copier/printers capable of supporting the printing and copying needs of local schools and central administration.

Replace equipment and attached peripheral replacement and/or consolidation.

Includes mainframe equipment, storage area network equipment, and Sun server equipment (purchase, installation, and conversion services)

School facilities need to be accessible to many people during and after normal hours. Increased Security needs require that staff members be confident that the doors, windows and locks can completely control access to each facility. This program will provide limited access to only authorized personnel, identify any person or groups in the building and when they entered as well as numerous other features not available now.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Cobb County System Wide**

**Facility No.:**

**Projects:**

Equipment and Software needed for continued improvement in tracking, reporting and control of CCSD Financial Resources.

Local school building renovations and replacement of large kitchen equipment including, but not limited to, walk-in coolers and freezers, ice machines, steam kettles, steamers and serving lines.

Building renovations, replacement, repair and upgrades to furniture, fixtures and equipment for the Comprehensive Human Resources Information System (CHRIS).

Associated costs for SPLOST Program Management and equipment installation

- SPLOST Accountability Manager
- Director of Construction and Support Personnel
- Equipment Planning and Installation Personnel
- Financial Reporting/Processing Personnel
- Furniture/Equipment to Support Program

Replace carpet and repaint, replace blinds, insulation where removed in the ceiling, repair siding, roofing, windows, paneling, doors, ceilings, floor structure, gutters and downspouts.

Expand mobile computing access campus wide to support instructional and administrative initiatives.

Includes 500 access points for centralized District facilities, 2,400 access points for instructional and admin areas, 200 outdoor routers/access to portables, and 600 portable outdoor routers.

Provide support of computer printing needs of curriculum and administrative functions.

Purchase of approximately 3,170 printers at \$2,200 each, would provide one printing device per 25 students and staff.

Refresh district servers using a 5-year refresh cycle.

## **FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Cobb County System Wide**

**Facility No.:**

### **Projects:**

Includes 6 centralized Email servers, 100 Internet caching, 100 Mail servers for local schools, 100 Media Center servers, and 70 Middle/High school labs.

Refresh components of local school core infrastructure, protect servers , and ensure data integrity in case of power loss.

Includes 4 caching appliances, content filtering, 68 environmental control units, firewall, load balance/redundancy fail over, 1,500 network closet switches, switches and routers for central facility, 110 UPS for main, 300 UPS for other closets, and virus scanning.

Ensure continued student and staff access to instructional learning opportunities, assessment capabilities and Web-based administrative systems using energy efficient technology.

Estimated cost for 30,563 units includes installation, 3-year warranty, productivity software, connectivity to network, & enhanced server support as appropriate at time of implementation.

Funding to support the furniture and equipment needs resulting from enrollment growth or replacement of items which are beyond economical repair.

Security fencing, safety and security related signs, traffic flow indicators etc.

The construction of undesignated classrooms / instructional units for unforeseen future growth requirements.

Digital surveillance recording equipment at middle schools and high schools.

**FACILITY SUMMARY OF APPROVED PROJECTS**

**Facility Name: Compton Elementary School**
