Parents,

We hope you are as excited as we are for the 2017-2018 school year. Above you will find a general list of supplies your First Grader will need this school year. Your child's teacher may ask for additional supplies that are more specific to their classroom needs. Also, the primary journals have space at the top for drawing and the line spacing is larger than a regular composition book. You can usually find these at Wal-Mart or School Box.

Thank you,

Sanders' First Grade Team
