I. SCHOOL INFORMATION

Letter from the Wheeler High School Principal
Welcome to Wheeler High School

Home of the Wildcats!

Dear Students and Parents:

Welcome to the 2018-2019 school year at Wheeler High School, home of the Wildcats! This handbook is designed primarily for the students. However, I encourage parents to browse through the handbook and become familiar with the contents as well. You will notice the handbook covers rules/regulations/procedures, academic planning, activities and clubs to get involved with, some behavior policies and consequences for inappropriate behavior, and other general information. It is impossible to include all of the information and knowledge about Wheeler in a small handbook. You must use common sense and ask questions if you don’t know the answer. Making good decisions will yield outstanding results.

Student learning is the chief priority of the school. Wheeler pledges its resources to the development of the whole student, engaging the community through relevance and rigor, emphasizing citizenship, and celebrating diversity. The Wheeler staff is committed to continuous improvement and will challenge you to be a self-directed lifelong learner. To develop those skills you must plan for success. Use this handbook as a resource as you navigate your way through the school year.

The last bit of advice is to enjoy your high school career. The high school years are full of friendships, activities, trips, and experiences that you will remember for a lifetime. The entire Wheeler staff is committed to providing the environment needed for an outstanding high school education. When you graduate with a Wheeler High School diploma, the world is yours for the taking!

GO CATS!!
Peter Giles, PhD
Principal
The Wheeler Student Handbook is designed to be an information source for students and parents. Students are responsible for knowing the contents of this handbook. All information contained is subject to change or modification with regard to policy and procedures adopted by the Cobb County Board of Education or the Wheeler High School staff. During the first week of school, students will receive Cobb County School System policies. Students are also responsible for any additional information related to local or district policies throughout the school year and for communicating this information to their parents/guardians. For additional information on district policies, please go to [www.wheelerhigh.com](http://www.wheelerhigh.com). ## ATTENDANCE

### The School Day

The building will be open by 7:15 A.M. for students who need to arrive early. The school day officially begins for a student upon arrival to campus. If a student arrives early for any reason (detention, make-up work, extra help), they are expected to remain on campus at all times until the school day ends at 3:30 P.M. or administrative permission has been granted for early dismissal. Students will be required to leave the building by 3:45 unless under the direct supervision of a faculty member.

### Student Absences

When a student has been absent, a statement should be written the next day from a parent or guardian stating the reason for the absence. This statement should be brought to the Attendance Office and exchanged for an “Absence Slip” which should be shown to all the student’s teachers. If a statement is not brought, the absence is recorded as unexcused. The student has three school days to clear an absence. If a student has a court appearance, court documentation should be provided for an excused absence.

The GA Board of Ed. states that students may be excused from school for the following reasons:

1. Personal illness or when attendance in school endangers the student’s health or the health of others.
2. A serious illness or death in a student’s immediate family necessitating absence from school.
3. A court order or an order by a government agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
4. The observation of religious holidays, necessitating absence from school,
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. Registering to vote or voting in a public election, which shall not exceed one day.

7. A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a maximum of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parent’s or legal guardian’s deployment or during such parent’s or legal guardian’s leave. Nothing in this Code section shall be construed to require a local school system to revise any policies relating to maximum number of excused and unexcused absences for any purposes.

8. Any other absence not explicitly defined herein but deemed by the local school board of education to have merit based on circumstances.

We strongly encourage students to attend school daily. Although makeup work may be completed after a student’s return from an absence, there is no substitute for actual classroom instruction. Parents are encouraged to check their student’s daily attendance, grades, and attendance history by accessing Synergy on the Wheeler website (www.wheelerhigh.com). Parents may request a PIN from Admin 1 to access their student’s Synergy account.

**Attendance Incentive Policy (AIP)**

A student may exempt one non-AP course final exam per semester and all AP class final exams if the following criteria are met. Students may not exempt the final exam in a Post AP course. Teachers keep all records on tardies, absences, and grades.

a. Students must be enrolled within the first 3 days of the semester to qualify.

b. Students may exempt if they meet the following grade AND attendance requirements:
   - 90% or above, no more than 3 absences
   - 80-89%, no more than 2 absences
   - 74-79%, no more than 1 absences
   - 70-73%, no absences

c. Students may exempt any AP class final if they register for the AP Exam AND meet the grade and attendance requirement. If student exempts in the fall and fails to take the AP Exam they may not qualify for exemption in the future.

d. Student may NOT exempt End of Course Tests even if they meet the AIP criteria.

e. An assignment to ISS, OSS or Admin Detention voids the exemption for the semester of the incident.

f. Any cheating incident voids the exemption for the semester of the incident.

g. Please refer to the attendance policies regarding full day absences, early dismissals, and late arrivals/tardies.

h. Approved school field trips, recognized religious holidays, two approved official college visits (Seniors ONLY), and approved Senior Project mentor visits (signed off form) do not count against the AIP exemption.

**Early Dismissals**

A written parental note must be submitted before permission will be given to leave school early. These requests should be taken to the Attendance Office prior to start of school. The Attendance Office opens at 8:00A.M. The note must have a phone number where a parent or guardian can be reached. If the parent or guardian cannot be reached, the student MAY NOT LEAVE. After the early dismissal request has been verified in Attendance, a dismissal slip will be prepared. If a student leaves without a dismissal slip, disciplinary action will be taken. All notes will be confirmed with the parent or guardian. If the student does not have a note and is being picked up, the parent (or their designee) must go to the Attendance Office to check out the student. Anyone checking out a student must be on the student’s emergency contact list, and the person must be prepared to show ID. If a student returns to school, he must check back in through the Attendance Office. In order to release a student, Wheeler High School requires a written note from a parent; phone calls to release students will NOT be accepted. Attendance in the classroom is critical to learning. Therefore, as a rule, students will not be called out of class without approval by an administrator or a counselor. Items brought to school for students such as money for lunch, actual lunch, textbooks/homework left at home, and other items will be given to students during class changes or delivered by a student aide.
Late Arrivals/Tardies

Any student not in their classroom by the 8:20 tardy bell will be marked absent by his/her teacher. If the student has a written, confirmable note from a parent or guardian detailing an acceptable reason to excuse the tardy, he/she should report directly to the attendance office to receive a pass to class. To be excused for being tardy to school a student must present a doctor’s or dentist’s official appointment verification, a note regarding student illness, or a document for a court ordered appearance at the time the student signs in to school. Tardies due to missing the bus, traffic, oversleeping, car trouble, etc. are unexcused. If the student does not have a written, confirmable note from a parent or guardian, the tardy will be considered unexcused. Students will be marked as excused or unexcused tardy according to the previous stated absence policy. Any student arriving to school after 8:30 must report directly to the attendance office. Upon the sixth unexcused tardy to school a student’s parking privilege will be revoked. At the end of every 9 weeks, student tardy counts will be reset to zero. 

Continual tardiness will result in disciplinary action. The consequences for unexcused tardies will be the following:

- 5- Administrative Detention
- 8 - 1 days of ISS
- 11- 2 days of ISS
- 14- 3 days of ISS
- 17- 2 days of OSS
- 20, 23, 26 etc. – 2 days of OSS

Certificate of School Enrollment

Students must obtain a Certificate of School Enrollment (form DS-1) from their school to apply for a Learner’s Permit or Driver’s License. Certificates are issued through the Guidance Office with a 48-hour turn around. There is a $2.00 processing fee.

Students must provide a birth certificate to or other government issued ID (Passport, ID card) to prove age. The student must come in person to request the form.

College Visits

Seniors are allowed two official college visits per academic year. To be considered an official college visit, the student must turn in documentation to the Attendance Office within 3 days of the absence from the college or university that includes the student’s name and date of visit.

Withdrawals

Any student withdrawing from school for any reason is to report to the attendance office to complete the proper forms. The withdrawal form must be signed by a parent or guardian with picture ID. This should be done no later than the last day the student will be in school. All books must be returned and fines or fees paid in order to clear the records.

Hall Passes

Students who leave a class for any reason are responsible for asking their teacher for a pass. The pass should include the date, time, and destination, as well as the teacher’s signature. Students who wish to leave the cafeteria during lunch to make up work or work in the media center must attain a pass in the morning from the Media Center staff to present to the administrator on lunch duty. If a teacher grants permission for a student to leave the cafeteria, the teacher must provide the pass to the student and include the date, an explanation of the reason the student should leave the cafeteria, and the signature of the teacher making the request. Students in the hall without a pass will be escorted back to class and may be referred for skipping class.
II. ACADEMICS/INSTRUCTION

Textbooks
Students are responsible for returning textbooks in the same condition as they are issued. If a book is not returned or is damaged beyond use, the student will be charged the cost of the book. Minor damage will be assessed at 25% of book cost and major damages at 50% of book cost. No books will be issued until the fine(s) is paid. It is the student’s responsibility to clear all fines. Textbooks should not be left in classrooms or given to other students.

Wheeler Media Center
Hours: Weekdays, 7:15 a.m. – 3:45 p.m.

Many resources are available 24/7 at www.wheelerlibrary.com. We hope that you will make the Wheeler Media Center your headquarters for research and reading.

You don’t need a card or number to check out a book, just your name! Most books can be checked out for a three-week period, and you can always renew them for longer. Reference books and magazines can be checked out for overnight use, but they must be returned the next school day. Newspapers must stay in the media center, but you can always make a free photocopy of any article you like. Students are responsible for any lost or damaged materials, and the media center does charge fines for overdue books ($0.10 per day for regular books, $0.50 per day for reference books and magazines). Students may not check out additional items until all overdue materials are returned.

Media center computers are available for your school assignments. Individual students may use the computers any time during media center hours, except when they are reserved for use by a class. Of course, you must abide by the media center computer rules and the school district’s policies and regulations regarding the use of technology.

Grade Reports & Home/School Communication
Cobb County School District Administrative Rule IHAC recognizes that effective communication between the school and the home is essential to the success of students. The Board further recognizes that the delivery of information to the home is a responsibility that must be shared by school personnel and students. Parents should provide valid daytime phone numbers and update information in the Attendance Office when addresses or phone numbers change. Students in grades 9-12 are expected to transmit written notes, messages, deficiencies, report cards and other documents between the school and their parents. School personnel shall be responsible for making reasonable efforts in the communication processes, including e-mail, written, and telephone messages and for providing particular attention to situations where the educational welfare of students may be jeopardized. However, school personnel shall not be held responsible for student problems that develop from the refusal of students to transmit Messages from the school to the home.

We strongly encourage students and parents to communicate their concerns to teachers as soon as a problem becomes evident. If a student has a concern or a problem in a class, the student should follow these steps to resolve the issue:

1. The student should schedule a meeting with the teacher.
2. If the issue is not resolved, the student and parent should make an appointment with the teacher.
3. If the problem persists, the parent/teacher should make an appointment with the appropriate counselor/administrator.
At any time, parents/guardians may access their student’s grade through Synergy ParentVue. For information on how to access ParentVue, contact Ms. Judy Collins in Admin 1.

**Course Registration/Drop-Add**

After registration, students may request a schedule change only if credit has already been received for the class scheduled or if a mistake was made in registering for the course. If a course is dropped after the first ten days of the semester, a grade of 10 will be given for that course, and no credit will be awarded.

**Grading System**

Cobb County high schools observe the following grading system:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Score Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90 – 100</td>
</tr>
<tr>
<td>B</td>
<td>80 – 89</td>

<td>74 – 79</td>
</tr>
<tr>
<td>D</td>
<td>70 – 73</td>
</tr>
<tr>
<td>F</td>
<td>below 70</td>
</tr>
</tbody>
</table>

Students should work with their teachers to complete all assignments missed. Additionally, conduct grades will be given. Proper citizenship development of students is as important as their academic training. The following is a guide to conduct grading:

- Satisfactory - Needs no correction
- Needs Improvement - Needs some correction
- Unsatisfactory - Needs immediate correction

**Quality Points for Accelerated/Honor Classes**

Courses that earn a full quality point (A=5.0, B=4.0, C=3.0):
- All AP courses
- All language courses level IV and higher
- Chemical Engineering
- Organic Chemistry
- Advanced Physics/Robotics
- Advanced DNA/Genetics
- Advanced Scientific Internship
- Advanced Scientific Research

Courses that earn a half quality point (A=4.5, B=3.5, C=2.5):
- All Honors courses

**Testing Days**

A student should have no more than two (2) major tests in one day. It is the student’s responsibility to discuss conflicts with each of his or her teachers before the test.

**Make-Up Work**

Students are expected to make up all work missed during an absence. It is the student’s responsibility to find out what work was missed and to turn it in to his/her teachers. Students will be allowed one day for each day of absence plus one additional day to make up work missed during absences. For example, if a student is absent for two days, he/she will be allowed three days to make up work that was missed. Students should check with individual teachers for policies regarding make-up tests. Work missed due to skipping class or removal from ISS may not be made up for credit.

**Final Exams/End-Of-Course Tests**

Comprehensive final exams are given at the end of each course in every class and count from 10-20% of the final course grade. Students may NOT take a final exam early. In the case of illness, students may be tested after the scheduled testing period. It is the responsibility of the student to make arrangements with their teachers to make up final exams. Algebra I, Geometry, Ninth Grade Literature, American Literature, Economics, US History, and Biology also have state-mandated End-of-Course Tests that count 20% of the final course grade. Courses with an EOC will not have a Final Exam given on final exam days at the end of the semester.

**Student Mentorship Class**

Career technical mentorship is a class offered for juniors and seniors on track for graduation. Students must have a 3.0 minimum GPA, and good attendance. Students must have a good discipline record. Students may only mentor twice in their high school career, and the credits do not count for the technical diploma. Mentoring is a privilege. Those students who take this class should be dedicated to the office in which they serve and represent Wheeler well.

**Senior Minimum Day**

Students classified as seniors and carrying sufficient credits to provide for one unit above the total needed for high school graduation may schedule a minimum of three blocks (in consecutive order). Students must have taken and passed all graduation tests in order to participate in the minimum day program. Students participating in the mentoring program may not take minimum day. These seniors must have passed or be enrolled in all specified courses for graduation with the exception of courses limited to seniors. Seniors who choose minimum day must be off campus no later than five minutes after their last class or be under the direct supervision of a faculty member. Failure to comply will result in administrative action or enrollment in a class during their “off” period.

**College Entrance Examinations**

The PSAT (Preliminary Scholastic Aptitude Test) is an examination of interest to college-bound students. All sophomores at Wheeler will be given the PSAT on October 10, 2018. Juniors wanting to qualify as a National Merit Scholar should take this test and must sign up and pay in Counseling during September. The SAT (Scholastic Aptitude Test –www.collegeboard.org) and the ACT (American College Testing Assessment –www.act.org) are college entrance exams accepted by most colleges and universities. Students should consult the website of the college of their choice for the appropriate exam to take. Application forms and study guides for the tests are available in the Counseling Suite. Check with a Counselor for specifics; expect to pay approximately $51.50 for the SAT.

V. EXTRACURRICULAR ACTIVITIES

Students are encouraged to take an active part in student clubs and organizations. Wheeler High School offers a wide variety of clubs and activities that are as diverse as the interests of our students. Only clubs and organizations that do not discriminate based on race, color, national origin, and religious affiliation will be chartered by the
Principal. All approved organizations must be registered with the appropriate administrator and have a faculty sponsor. A staff member must be present at all meetings and activities. All club activities, including fundraisers, must be scheduled with the administrator at least two weeks prior to the event. Fundraisers must be approved. A list of clubs and activities can be found here and on Wheeler’s website at www.wheelerhigh.com.

Fundraising
Policies JKA and JKB govern fundraising activities. Commitment to raise funds cannot and must not be made to students, parents, vendors, etc. until approval has been received from an administrator in charge. All fundraising activities must be requested in writing on the appropriate form and approved by the administrator in charge of fundraising/clubs. No sales may take place during class time. At such events such as dances, students may be requested to show identification. School regulations and disciplinary actions apply to all extracurricular functions. All special events must be approved and scheduled at least two weeks in advance.

Participation in Extracurricular Activities
State Board Policy and Cobb County Board of Education Policy require that students who participate in extracurricular activities meet certain eligibility requirements.
To be eligible for participation, a student must:
1. pass three subjects the semester preceding participation;
2. be enrolled in at least 3 classes which offer at least 3 credits toward graduation; and
3. be on-track for graduation as follows:
   • earned 5 units at the beginning of the 2nd year
   • earned 10 units at the beginning of the 3rd year
   • earned 16 units at the beginning of the 4th year
4. if student enrolls in 3 classes (minimum day), all 3 classes must be passed to continue extracurricular participation

Additionally, students who participate in extracurricular activities are expected to display exemplary behavior. Chronic and/or severe discipline problems will result in students being ineligible for class office or to serve as an officer in an extracurricular club.

A student who uses or possesses illegal drugs or alcohol on or off school property shall be suspended from interscholastic/extracurricular activities in compliance with Cobb County School Administrative Rule JJICA. A student who is arrested for, or charged with, a misdemeanor involving moral turpitude, or a felony shall be automatically suspended from interscholastic/extracurricular activities. The student shall remain suspended from these activities until such time as the matter is resolved in favor of the student.

The Cobb County Board of Education recognizes the significance of extracurricular activities at the high school level. In order to assure that students’ participation in these activities is in line with their progress toward high school graduation, the following standards shall be observed for student participation in all high school extracurricular activities. (For the purpose of this policy, extracurricular activities include athletic and competitive teams sanctioned by the Georgia High School Association at the 9th, JV, & V levels and groups defined by the Georgia High School Association including cheerleading, debate, and one-act play.)

A. Students must meet all academic eligibility requirements as outlined under “Guidelines for Participation in Extracurricular Activities.”
B. Students who wish to participate on an athletic team must have a physical exam performed by a licensed physician prior to participation. This exam must be dated after April 1 of the preceding school year. Students must also submit proof of adequate insurance coverage.
C. Students are not eligible to participate in a GHSA-sanctioned activity after their eighth semester in high school.

Drug/Alcohol Policy Governing Extracurricular Activities
In order to provide consistency and fairness in dealing with students involved in extracurricular activities who violate the drug and alcohol policy, we will follow the Cobb County School Administrative Rule JJICA. Students participating in any athletic program may be dismissed by their coach if they have been involved in substance use.
National Honor Society

NHS recognizes and encourages academic achievement while striving for ideals in leadership, character, honor, and service. Students are selected for membership in the spring of their junior year on the basis of GPA, character, and participation in extracurricular activities. The GPA requirement is a 4.00. Certain disciplinary offenses, occurring at any time during a student’s high school career, may exclude him or her from consideration. These include, but are not limited to: academic dishonesty, insubordination, skipping/truancy, fighting, forgery, and other inappropriate actions leading to ISS or OSS.

Wheeler Community Service

All students who complete 40 documented (Wheeler defined) service hours within a designated school year period are eligible to receive a letter for Wheeler Community Service. Students have an opportunity to letter each year, earn a Graduation Service Medallion upon graduation and join the Wheeler Community Service Honor Society. To learn more about what defines a Wheeler Service hour and how to submit for credit visit “Community Service” on the Wheeler website homepage under Quick Links.  

Temporary summary of Wheeler Service hours:
- are earned through a Wheeler sponsored activity or event
- are documented by a Wheeler staff
- are earned outside school hours (maximum .50 hour at lunch)
- are not for class credit, wages or political purposes

Conduct at Athletic Events

Good sportsmanship is important to Wheeler’s athletic program. Student fans represent Wheeler as much as the athletes do and are responsible for much of the school’s reputation. Support your team enthusiastically but consider the other team’s players and fans. Applaud fine play and good sportsmanship by both teams. Remember, extracurricular activities are an extension of the school day, and students must comply with all school behavior policies. We take much pride in our tradition of excelling on all fields of competition and in showing good sportsmanship. Let’s continue this fine tradition.

VI. LUNCH AND BREAKFAST

Wheeler uses a computer system in the cafeteria that allows parents to pay in advance for student lunches by contacting 1-866-210-3679 or www.mealpayplus.com. Students or parents may put money in their accounts at any time. Students must memorize their 6- or 7-digit Cobb County ID number (not the student’s Social Security Number) and should NOT SHARE THEIR ID NUMBERS WITH ANY OTHER STUDENT.

The price of the student lunch is $1.90 (subject to change). Additional milk or fruit juice may be purchased for $.50. Extra food will be sold as cash only sales. The price of the student breakfast is $1.00 (subject to change). Students may apply for free or reduced lunch or breakfast on the FREE OR REDUCED-PRICE LUNCH APPLICATION FORM given to them in their student folders or from the lunchroom staff. Return the form to the lunchroom manager.

Students must stay in the cafeteria, Magnet Courtyard or Breezeway unless they have written permission to leave. FOOD MAY NOT BE TAKEN OUT OF THESE AREAS.

VII. CLINIC

Students needing minor attention should report to the nurse in the Clinic with a pass from their teacher.

Medications and Health Care at School

1. Does the school provide medications?

No, the school does not provide medication. Medication must be brought to the front office or school clinic by the parent/guardian. An “Authorization to Administer” medication form must be completed.
2. May the parent/guardian bring and give medications to their student?

Yes, a parent/guardian may come to school and give her or his child medication. Appropriate visitor sign-in procedures should be followed.

3. Where can I find authorization forms?

Authorization forms are found in the front office, school clinic, or online. Forms are available online at www.cobbk12.org. Locate “Superintendent” on the left hand side of the page, and then click on “Administrative Rules.” Click on Section “J-Students.” Find Administrative Rule JLCD (Student Welfare: Medication). Click on the Form needed.

4. Why do I need a doctor's note for adult strength over-the-counter medication when my doctor has told me this is appropriate for my student’s weight (or condition)?

The school nurse wants to protect your child and must follow guidelines for dosage recommended by the manufacturer.

5. Why do medications have to be in the original container?

The original container provides information from the manufacturer about over-the-counter medications, including the name of the medication, the proper dose, how the medication should be given, how often the medication can be given, possible side effects, and when the medication is no longer effective (an expiration date).

The original prescription container includes the name of the medication, the patient’s name, the prescribing doctor, the proper dose, how and when it should be given, how long the medication should be given, when the medication expires, and the pharmacy where the medication was purchased. All of this information is necessary for the school nurse to administer medication in a safe manner.

6. What if my child’s medication or dosage changes?

Parents/guardians must inform the school nurse of any medication changes. New medication or different doses will not be given unless the parent completes a new medication form. The information on the prescription bottle label must match the new consent form.

7. Can my child take herbal medication at school?

No. Over-the-counter diet pills, vitamins, dietary supplements, including minerals or herbs will not be given.

8. May my child carry cough drops at school?

All students may carry cough drops and throat lozenges as long as an “Over-The-Counter Medication Permission” form is completed, and the school nurse has the original completed form on file. The student should carry a copy of the form with the medication. The medication must be kept in the original container.

9. May my child carry over-the-counter medication at school?

Middle and high school students (grades 6-12) may carry certain over-the-counter medications: ibuprofen (i.e.: Advil, Motrin, Midol), acetaminophen (Tylenol), aspirin, antacids, cough drops and throat lozenges with a completed “Over-The-Counter Medication Permission Form” on file in the clinic. The student should carry a copy of the form with the medication. The medication must be kept in the original container.

10. Can my child carry his asthma inhaler at school?

Yes, students may carry inhalers, Epi-pens or insulin with a completed “Authorization for Student to Carry a Prescription Inhaler, Epi-pen or Insulin” form on file in the clinic.

11. Why is there a place for the health care provider to sign the authorization form for my child to carry their inhaler at school?

The health care provider’s signature indicates that your child has been instructed on the proper use of their inhaler and that your child is responsible for administering it to himself/herself without supervision. The form can be faxed to the doctor and then faxed back to the individual school nurse.

12. Why do I have to have a prescription label on the inhaler?
The prescription on the inhaler includes the child’s name, how often it is to be used and what dose is appropriate for your child. It is difficult to keep the label directly on the inhaler. You can write your child’s name on the inhaler and bring the labeled prescription box to the school nurse.

13. **If my child is sick, why can’t I bring the medicine and send her or him back to class?**

You can, unless your child has a fever, vomiting, two episodes of diarrhea, a rash that may be contagious, or any other condition that the school nurse or administrator believe may be contagious or disruptive to the class or teacher.

14. **If I give my child Tylenol for a fever, can I still send them to school?**

If the fever is more than 100.9 degrees F before you give her or him Tylenol, then your child cannot come to school. Your child may return to school when his/her temperature is below 101 degrees F without Tylenol or any other fever reducing medication for 24 hours, if s/he feels well and is not showing any signs of illness.

15. **If I give my child Tylenol for aches and pains, can I still send her or him to school?**

Your child is welcome at school while taking Tylenol and any other over-the-counter medication for an injury, dental work, etc. However, if the medication is for a sore throat, earache or flu-like symptoms, please keep her/him at home.

16. **Why can’t I put medicine in my child’s lunch box if he/she has to take medicine at lunch?**

Medication in a lunch box could be lost or taken by another child. If a staff member found the medication it could be considered an illegal drug with consequences according to the Code of Conduct. Medications must be brought to the front office or school clinic by parents/guardians the original and properly labeled container.

17. **If I treat my child for lice can I send them back to school the same day?**

Yes. Please bring your child back to the school nurse to be rechecked.

18. **Why do I have to bring in a box top to verify lice treatment?**

A box top from the product provides the school nurse with the type of treatment that was used and confirms that treatment was provided for the child since a prescription is not necessary for treatment of head lice.

19. **How much time do I have to get to the school if the nurse calls me to pick up my child because he’s sick?**

You or a person you designate should arrive within one hour of being called. Most school clinics have an area where your child can rest for a short period of time. You or a person you designate, must arrive within 15 minutes if your child has a fever of 104 degrees F or higher. Otherwise, 911 will be called.

20. **How long will my child’s over-the-counter medication be given at school?**

Over-the-counter medication may be given with parent/guardian permission as needed throughout the school year. A doctor’s note is required for over-the-counter medication that is given for more than 10 consecutive school days.

21. **What happens to my child’s medication at the end of the school year?**

All medications not picked-up by parents by the last day of school will be destroyed.

VIII. **STUDENT BEHAVIOR AND CONSEQUENCES**

4. Pants with holes above the knee. Holes below the knee may be no larger than the size of a hand.

** The interpretation of acceptable dress will be made by school officials.

Missed classes will be unexcused. Repeat offenses will result in disciplinary action.

**Cell Phones and Electronic Devices**

Students shall not use cellular phones, communication beepers, video phones, pagers, or electronic devices during instructional time unless specifically authorized by individual teachers for instructional purposes during school day. Otherwise, communication and electronic devices must be off during instructional time. Students are allowed to listen to music inside the cafeteria during their assigned lunch periods with headphones only.

Wheeler High School is not responsible for lost or stolen items.

**Behavior in the Classroom**

Students are expected to arrive for each class on time and remain attentive, respectful, and on-task throughout the entire class period. Only by following the simple rules listed below can we ensure that the classroom atmosphere remains conducive to learning.

A. Show respect for your teachers and other students:
   - Be on time for school and class.
   - Do not interrupt instruction (beating on desks, humming, singing, blurtting out, talking to others during instruction, or making other inappropriate noises or gestures.)
   - Ask permission to leave your seat.
   - Keep your head up during instruction and remaining attentive. Do not sleep in class.
   - Leave the personal belongings of others alone.
   - Respect the opinions of others by avoiding inappropriate personal attacks.

   - DO NOT BRING FOOD OR DRINK INTO ANY CLASSROOM WITHOUT THE TEACHER’S PERMISSION.

Cheating Policy

The following are considered scholastic dishonesty in schoolwork and will be disciplined:

A. Taking information of any form into a test situation for the purpose of responding to test items
B. Plagiarism – Using the ideas or words of others without proper documentation
C. Copying the work of others when the copied material will count as part of the semester grade. This includes the copying of computer disks.
D. Communicating test information to others in or out of class
E. Taking test questions (complete test, answer key, teacher’s edition) to provide assistance in later test situations
F. Selling, buying, or using papers written by another party
G. Talking, communicating, or displaying cell phone during testing

Disciplinary procedures when cheating is discovered:

A. Individual teacher handles situations A, B, C, D and G above. Mandatory actions by teachers will include the following:
   1. Assignment of a zero for that particular grade
   2. Teacher/student conference
   3. Parent notification
   4. Misconduct form to be filed in student’s disciplinary file

B. Teacher refers situations E and F to the appropriate administrator. Disciplinary action will include the following:
   1. Assignment of a zero for that particular grade
   2. Student/administrator conference
   3. Teacher/parent conference
   4. Assignment to ISS for a minimum of two days

Once a cheating incident has occurred and the teacher has discussed the matter with the student, the teacher should refer the student to the appropriate administrator so that it can be determined if a previous cheating incident has occurred. After the first offense, all subsequent offenses must be directed immediately to the appropriate administrator for action. National Honor Society and other organizations do not allow membership by students who have cheated. Incidents of cheating are cumulative over the student’s high school enrollment.

Computer Related Discipline Consequences

A student who uses a computer to violate a discipline rule will FIRST receive the normal consequences for that violation. For example, students who are insubordinate in their use of a computer will receive the consequence for insubordination. Students will ALSO lose their computer privileges for a time:

1st violation – minor: two weeks; major: two semesters
2nd violation – minor: one month; major: permanent loss of privileges
3rd violation – minor: remainder of school year

Behavior in the Cafeteria

Students are expected to display appropriate behavior in the cafeteria. Lunch is a class that students must attend in the cafeteria or on the patio. These guidelines should be followed:

1. Do not cut in line.
2. Dispose of trash in garbage cans.
3. Do not take food or drinks outside the cafeteria and lunch area.
4. Students may not leave the campus during lunch.

Student Searches

Cobb County School Administrative Rule JIH:
The Cobb County School System endeavors to provide a safe and secure environment for all students. The Board authorizes reasonable searches of students directed to that end by authorized school officials. Searches based on reasonable suspicion may proceed without hindrance or delay, but they shall be conducted in a manner that ensures that students are not arbitrarily stripped of personal privacy. The principal of each school or his authorized
representative possesses the authority to conduct inspection of students’ lockers, articles carried upon their persons, and vehicles. Such search shall be based on a reasonable suspicion of the presence of deleterious items but not limited to bombs, handguns, or other dangerous weapons, contraband drugs, alcohol, tobacco, stink/smoke bombs, hidden noisemakers, and water guns.

In the event the search of a student’s person, his personal possessions, his locker, or vehicle reveals the student is concealing material, the possession of which is prohibited by federal, state or local law, local law enforcement authorities shall be notified so they may take appropriate action, in addition to administrative response.

**Teacher Detention**

During the first days of a semester, each student will receive oral or written orientation procedures from his teachers regarding detention policies. Each teacher may have his own guidelines, and it is the student’s responsibility to abide by detention rules. Failure to serve a teacher detention will result in referral to an administrator. Administrative Detention or ISS may be given to the student who fails to serve a teacher given detention.

**In-School Suspension (ISS)**

In-School Suspension has been established as a measure to keep students in school while they are being disciplined for serious offenses. Strict state and county policies govern the ISS program, and the student is made aware of these prior to his reporting to ISS. Students are given the opportunity to obtain all class assignments before entering the ISS program, and that work must be returned to the teachers on the first day the student is back in class, or no credit will be granted. Students cannot participate in school activities such as but not limited to: athletic events, club competitions, drama, band, chorus, or orchestra performances until the ISS assignment ends. A student will be removed from ISS after receiving 3 penalty demerits and subsequently suspended from ISS. Removal/suspension from ISS will result in Out-of-School suspension for the remainder of the ISS suspension plus 1 additional day and the loss of opportunity to make up classwork. To receive a full day’s credit in ISS, the student must remain in ISS for the entire school day regardless of student schedule.

In accordance with Cobb County policy, ISS CANNOT be assigned in place of suspension for the following:

- Weapons
- Tobacco
- Bomb threat
- Alcohol/Drug Use
- Fighting
- False fire alarms

**Out-of-School Suspensions (OSS)**

Suspension is a very serious disciplinary action. It is the strongest statement the local school makes in expressing its displeasure with misbehavior. Suspended students (except those suspended from ISS) will be permitted to make up their work. All work will be due the day the student returns from suspension. Suspended students are not permitted on Wheeler campus or on any other Cobb County campus during their suspension. They are also not permitted to participate in or attend any extra-
