

Wildcat Tutoring

Tutoring for Math, Science, English, and Social Studies will be held every Tuesday and Thursday from 3:45 p.m. – 4:45 p.m. in the school cafeteria, beginning August 13th, 2019. Wheeler High School teachers and members of the National Honor Societies will be available for all core class subjects to provide academic enrichment, remediation and small group instruction during this time. To attend the tutorial sessions, parent permission slips (see below) must be signed and returned to the Attendance Office.

Any student who attends the tutorial sessions must remain in the tutoring location from 3:45 p.m. – 4:45 p.m. or until the tutoring sessions ends. Students are required to be on time for all tutoring sessions and behave appropriately. All students are responsible for their own transportation and must be off campus by 5:00 p.m. Failure to comply with any of the above stipulations may result in a student's dismissal from the afterschool tutorial program. If you have any questions, please email Assistant Principal Matthew Bradford at matthew.bradford@cobbk12.org.

This form must be returned to the Attendance Office before attending tutoring sessions.

I _____ (parent/guardian name) give permission for my student(s)
_____ (student's name) to participate in the afterschool tutorial program that will be held at Wheeler High School from 3:45 – 4:45 every Tuesday and Thursday beginning Tuesday, August 13th – Thursday, November 7th 2019. I also understand students are responsible for their own transportation and must be off campus by 5:10 p.m.
