| Simplify the foundation of teaching and learning to prepare for innovation. | Ensure all teachers prioritize standards. | • Grade levels will monitor standards and assessments weekly.  
• Priority standards and supporting standards will be identified quarterly.  
• Once a semester, members from each grade level will meet to align priority standards. |  
(Use collaborative team agendas, unit plans, observations, and/or TKES results) | N/A |
| Conduct weekly, collaborative, teacher team meetings based on the 4 critical questions. | Administration will attend weekly CCC meetings to provide support and monitor data.  
• Teams will create priority standards, learning targets, and matching assessment language to the language of the standard. |  
(Use collaborative team agendas, unit plans, observations, and/or notes) | N/A |
Board Goal 2: **Differentiate resources for students based on needs.**

### Superintendent’s Priorities

- Use data to make decisions.

### District Initiatives

**Utilize CTLS to assess, develop, deliver, and analyze common formative assessments in all core content areas.**

- Administration, with TTIS support, will provide CTLS training for all teachers.
- Teams will create common assessments in writing and math during weekly meetings.
- Determine common grading practices at each grade level.
- Analyze results from common assessments during CCC meeting with evaluating administrator.

**Deliver, analyze, and adjust instruction in reading and math, utilizing data from Universal Screener (RI and MI).**

- Teachers will administer RI/MI at least three times a year during the CCSD testing window.
- Grade levels will develop data tracking sheet, focused on RI/MI and Touchstones data.
- Lesson plans will document evidence of differentiation during the work sessions of ELA and Math instruction.

### Tritt Elementary School 2018-2019 Strategic Plan

| Increase percentage of students performing at grade level in reading and math. | • Accelerated content instruction will be offered to eligible students in 4th & 5th grades for both ELA and Math content.  
• READ 180 instruction will be offered to students reading below grade level, as identified by RI scores, to increase reading level.  
• Provide tutoring in reading and math after school to identified students.  
• All teachers will implement differentiation and guided group instruction to meet the needs of varied levels of students. | CCRPI Components:
