## A Message From the Principal

Dear Parents,

We are now in the third nine weeks of the 2009-2010 school year and the excitement of finding out how our students are progressing, academically, will soon be known. As we move toward the end of this school term, we need your assistance in making sure you receive a report stating that your child is fully prepared to be promoted to the next grade level. Your involvement in the education of your child is crucial.

As you have heard many times, children whose parents help them at home and stay in touch with the school score higher on classroom assignments and test than children whose parents are not involved. Starting today, we need your support to make sure every first grade student scores high on the CRCT, which will be given in April, and every kindergarten student is prepared for first grade. Therefore, it is very important for you to visit your child's teacher during Conference Week (January 25-29). During this time, you will learn if your child is prepared for promotion or needs remediation. Conference letters and invitations will be sent home soon. Please respond and make every effort to attend your child's conference.

Thank you for your support.

Mrs. Jackson
