AWTREY MIDDLE SCHOOL CLUBS
2018-2019

Trout Unlimited	Every Day during homeroom	G 8	Offers students of all ages a chance to raise Salmonids in a classroom setting and then release them into a nearby stream or river. Caring for the fish fosters a conservation ethic in the students, and the act of walking to a streambank and directly releasing the fingerlings into the water makes a concrete connection between caring for the fish and caring for the water.	Justin Buckles and Therome James	8th Grade Science students in Mr. Buckles and Mr. James' classes
Video Gaming	Wednesday 8:15-8:50	G 2	Opportunity to play education editions of Mine Craft	Therome James	Open to all
