

Online Safety

Acceptable Use Policy

Internet Acceptable Use Policy [IFBG](#) outlines student and employee responsibilities in regard to using technology.

Bullying/Cyberbullying Information

These [pamphlets](#) are designed to help parents and students navigate the unclear roadways of behaviors that can be seen as hurtful teasing or bullying behavior.

Online Safety Resources

[Cyberbullying Research Center](#)

Multiple resources for parents, students and educators on bullying and how to handle bullying. Parents can also report abuse/inappropriate use of social media sites, gaming, search engines and cell phone companies, through resources found on the [Cyberbullying Reporting page](#).

[Netsmartz.org](#)

Internet safety for all ages – awesome activities to do with your child!

[Top 10 Reviews - Internet Filter Software Reviews](#)

An Internet filter, or Web filter, allows a company or individual user (like a parent) to block out pages or entire websites that are likely to include objectionable and/or inappropriate content. The software is installed on the computer, and can be set up by the parent. Top 10 Reviews provides comparisons, reviews and articles on Internet filter software products.

[OnGuard Online](#)

OnGuard Online provides practical tips from the federal government and the technology community to help you guard against internet fraud, secure your computers, and protect your privacy.

[Common Sense Media](#)

Common Sense Media offers independent, age-based [ratings and reviews](#) for movies, games, apps, TV shows, websites, books, and music. The [Parent Concerns](#) and [Parent Blog](#) help families understand and navigate the problems and possibilities of raising children in the digital age.

[Net Family News](#)

Online newsletter for parents and educators regarding kids' use of technology. Keep up with emerging trends in technology and Internet Safety.

[Connect Safely](#)

[ConnectSafely.org](#) is a nonprofit organization dedicated to educating users of connected technology about safety, privacy and security. Here you'll find research-based safety tips, parents' guidebooks, advice, news and commentary on all aspects of tech use and policy.

[Cyber Bully Help](#)

Learn more about cyber bullying, and how to prevent cyber bullying in the digital age. Visit the [Cyberbullyhelp.org Help Center](#) for links to report abuse on social media sites.

Digital Citizenship
