

# BELLS FERRY CAR RIDER INFORMATION

The Bells Ferry staff is committed to providing for your child's safety. That begins each day as you drop off your student in the car rider line. There are specific guidelines that have been established to ensure safety for all students while in the car rider line. Please adhere to these procedures each morning and afternoon while you are dropping off and picking up your child. They are as follows:

**\*When entering the campus you must take an immediate right whether there is traffic in the lot or not.** This will help to ensure everyone's safety. The traffic pattern flow on our campus will have a one way flow.

**In the mornings students will be dropped off by the cafeteria and enter the side door of the Café. Cars will then exit by pulling straight up the hill. Cars may only turn right in the morning (AM).** In the afternoon, after picking up your child, you may turn right or left out of the exit.

**\*The afternoon car rider line will begin at 2:20 and will be in the front of the school. Line up similar to morning drop off. Once the buses leave the campus, follow to the front of the school. Remain in a single file line.**

- \* Students should get out of the car at the curb only.** Students are prohibited from getting out of their car in the parking lot area and walking across traffic to the sidewalk.
- \* The car rider lane is a single lane only.** Cars are not allowed to pass other cars in line and pull up to the curb. Stay in line and we will move the line as quickly as possible. Your patience is important to the safety of all of our students and staff.

## BELLS FERRY CAR RIDER INFORMATION

- \* **Stay in your car and the staff members and safety patrol members will assist your child into or out of your car.** When you exit your car, it slows down traffic. If you need to secure your child in a car seat, please park in a parking space and walk across to get your children.
- \* **Under no circumstances should a student ever be let out of a car on Bells Ferry Road. THIS IS ABSOLUTELY**

**NOT PERMISSIBLE!**

- \* **If you would like for your child to have breakfast and they are a car rider please plan on having them at school by 7:25 a.m. They need to have time to take their belongings to class, check in with their teacher, go to the lunchroom, get their breakfast, actually have time to eat it, and be in their seats ready for learning by 7:50. Your assistance with this would be greatly appreciated.**
- \* **Keep in mind, that car rider traffic can be unpredictable. High traffic volume will not be counted as an excuse for tardy arrival to school. Please plan ahead and leave in plenty of time to account for traffic issues.**

**Traffic volume and parking issues are of a particular concern. It will be much less stressful for you and for your child if you plan to leave early**

- \* **Remember, bus transportation is provided for all Bells Ferry students.**

*Thank you in advance for following these safety procedures. Your complete cooperation is expected in order to help keep our little Bandits safe!*
