## **Notification Regarding Telephone Consumer Protection Act (TCPA)**

The Cobb County School District (District) utilizes an automated system to communicate to families on a variety of subjects using telephone number(s) provided by families. These communications include, but are not limited to, student absences/tardies, emergency closings due to inclement weather, other school emergencies, other situations concerning the health and safety of students, and school and District announcements. However families are free to choose not to receive such communications. Families may opt out of future messages by calling 855-502-7867. Families may opt out during an informational call by pressing 1. To opt out of text messages, reply to any automated text with the message STOP.

## **Right to Know Professional Qualifications of Teachers and Paraprofessionals**

In compliance with the requirements of the Elementary and Secondary Education Act the Cobb County School District informs parents that you may request information about the professional qualifications of your student's teacher(s), and paraprofessional(s).

The following information may be requested:

1. Whether the teacher has met the Georgia Professional Standards Commission requirements for certification for the grade level and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
3. The college major and any graduate certification or degree held by the teacher;
4. Whether the student is provided services by paraprofessionals, and if so, their qualifications.

If you wish to request information concerning your child's teacher's or paraprofessional's qualification, please contact the principal.
