

Emergency Preparedness

Campbell Middle School has an emergency procedure manual that provides step-by-step guidelines for how we should respond to a wide variety of scenarios ranging from tornados and fire to biological threats. These plans are regularly reviewed and updated and practiced by response drills several times during the school year.

One of the primary means of communicating with parents is through the local news media. These stations include, but are not limited to:

- **WSB-TV**
- **WXIA-TV**
- **WAGA-TV**
- **WGCL-TV**
- **WSB-RADIO (AM 750)**
- **WGST-RADIO (AM 640)**

The Cobb County School District web site (www.cobbk12.org) also will be used for timely communication in the event of an emergency.

For further information see [Cobb County School District Emergency Preparedness](#) plan.
