

# TechnologyServices

INSTRUCTIONAL TECHNOLOGY

## What is a TTIS?

A coach who helps teachers transform their practice.

### Why do we exist?

Prepare digital age learners for success in a global, ever-changing society

### How do we behave?

Professionally with a focus on positive customer service

### What do we do?

Empower learners in the Digital Age Classroom to promote higher order thinking, creativity, and problem solving

### How will we succeed?

By being intentional, reflecting, and adapting together

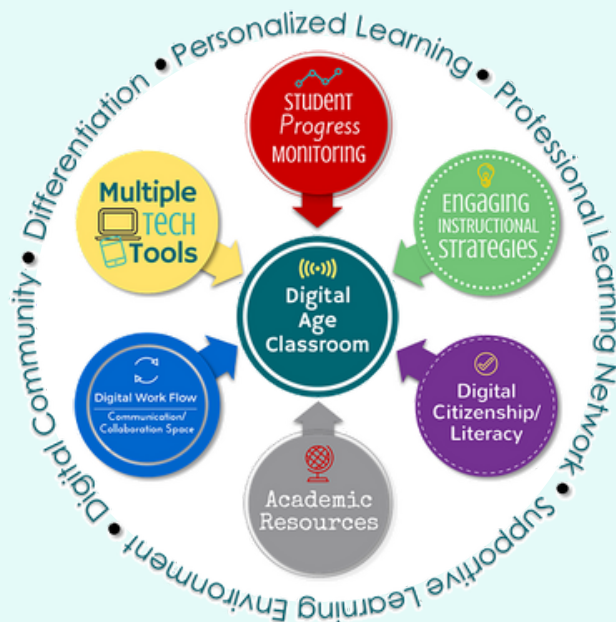

### What is most important now?

Supporting District initiatives and advancing the Digital Age Classroom while fostering relationships

### Who must do what?

Each Instructional Technology team member will fulfill the mission

Visionary Leadership  
Professional Development  
Innovative Teaching, Learning, & Assessing

Digital Age Environments  
Digital Citizenship  
Support, Respect, & Time
