

**BID 10-07, Allatoona HS Concession Stand**  
**Vendor Questions and Answers**

#	Vendor (contact & company)	Subject	Question	Response
1.	Matt Hibberts – Momon Construction		I was reading the specifications about the wall construction and in one area it notes steel studs, but if you go down to the paint section it refers to using block primer. Is the exterior wall block with a brick veneer and interior walls metal studs?	Yes.
