Vendor Questions and Answers**

#	Vendor (contact & company)	Question	Response
1.	Nina Yeret-Sunshine Lighting	We would like to clarify one aspect if the bid so as to determine whether we honestly participate. We are a supplier if a commodity, which would be shipped by FedEx or UPS. We don't provide a service or deliver ourselves. Based on these criteria, must this type of company still be enrolled with the Dept of Homeland Security's program as outlines in the bid?	There are 2 options to choose from on the Georgia Security and Immigration Compliance Act document. The Cobb County School District can not determine which option a vendor should mark. Please review the document to determine which option you would need to choose.
2.	David Higgins-Regency Lighting	Are you bidding on certain brand names (Sylvania) or may I use the brand we the best price on to pass those savings to Cobb County?	Please refer to Special Terms and Conditions section 2.6.
3.	Russell Hank-Voss Lighting	In reference to page 19 2.4 our Philips rep is having a hard time finding the Federal Specification WL-101-F an WI-116-A to see if the products we are bidding meet specification, can you please provide a copy of the spec sheet you are referencing?	Please see Addendum 1
