ADDENDUM: Please review the following:

Revised Cost Proposal Form – Attachment A- September 10, 2009

Reference the following Vendor Questions, posted on September 10, 2009

- #53** - In section 2.5.1 and 2.5.2 (Special Terms & Conditions, RFP 35-09), would CCSD change this to “awarded vendor” to supply in order to spare the expense of preparing the proposal as you did in Addendum 3/ 2.1.2 ? – **CCSD’s response:** “Awarded Vendor” is acceptable.
- #78**- Referencing the Special Conditions, Item 9.22, the bidder is to provide access control system from the same manufacturer as the remainder of the school. Will CCSD provide the names of manufacturers and associated technical information on the access control systems at each school? – **CCSD’s response:** The Contractor will be responsible for matching all Access Control installation/relocation with a Schlage certified installer/programmer. Programming must match existing to protect integrity of the system. For a standard door layout: The reader is a Schlage SXF1100, Monitored door – WSM Wireless Status Point - Please reference **Drawing H- Typical Door Layout**, posted September 10, 2009
- #99**- Pg. 24 (Special Terms & Conditions/Modular Compliance) - Para. 2.2.2 – What is MOSHA Code? – **CCSD’s response:** Remove MOSHA Code as requested compliance.
- #101**- Pg. 32 (Special Terms & Conditions/Wall Material)- Para. 3.1.9 – States that the wall covering must allow for staples, push pins, thumbtacks, and hot glue. The wall covering specified, FRP, will not allow penetration of these items. **CCSD’s response:** Remove 3.1.9.1 → FRP is specified.
- #106**- Is a new rock fire lane road required at each site? **CCSD’s response:** A new fire lane may be added or upgraded per Fire Marshal. Please reference **revised Cost Proposal Form – Attachment A, September 10, 2009.**
