

Fifth Grade Writing Assessment

Spring 2014

Georgia law (O.C.G.A. §20-2-281) states “writing assessments shall be administered to students in grades three, five, eight, and eleven.” The purpose of the Grade 5 Writing Assessment is to assess student achievement in the Georgia Performance Standards in writing and writing instruction. The Grade 5 Writing Assessment provides predictive information to fifth graders about their future writing performance in advance of taking the Grade 8 Writing Assessment.

The percentage of Cobb County School District students achieving the Meets and Exceeds standards in 2014 ranged from 49 percent for English Language Learners to 95 percent for Asian students. The mean scaled scores for Cobb students ranged from a 190 for ELL students to 245 for American Indian / Alaskan Native students.

The scale score range for the Grade 5 Writing Assessment is 100 to 350. Writing scores are also reported in the following performance levels: Does Not Meet (100-199), Meets (200-249), and Exceeds (250-350).
