The School Social Work Department will take whatever legal steps are necessary to verify the parent or guardian's residence within the District. Such steps may include, but are not limited to, investigation by the school social worker, completion of the certification of residence by owner/lessor/legal occupant (Form JBC-2), and report of status of the investigation to the referring school for proper action. Students whose residency cannot be verified may be withdrawn from the school until such time as the parent can provide the required documentation.

notarized statement objecting to the requirement (Form JBC-4). This statement shall be retained in the student's permanent folder. Additionally:

- (1) The communication of this information will be in a language appropriate for the parent, guardian, student or person enrolling the student.
- (2) The school shall:
