RATIONALE/OBJECTIVE:

The Cobb County School District (District) is dedicated to sound discipline practices in the continuing effort to provide students in the District an effective and safe learning environment, to promote learning, and to encourage maturity during the school day as well as during all school-related activities.

The District also recognizes concerns for the welfare of students from their entry on a school bus or school property to their return to the bus stop or when they leave school property. Therefore, schools will take appropriate actions in an effort to provide students and staff a safe and orderly environment.

RULE:

The following code provisions apply to offenses that students commit while on school property at any time, engaging in or attending a school-sponsored event, or while using the school technology resources. As used in this Code of Conduct:

- A. School property includes, but is not limited to:

 2. Any other property or building, including school bus stops, wherever located, where any school function or activity is conducted;
 3. Any bus or other vehicle used in connection with school functions and activities, including but not limited to, school buses, buses leased by the District and privately owned vehicles used for transportation to and from school activities; and
 4. Personal belongings, automobiles or other vehicles which are located on school property.
- B. School technology resources includes, but is not limited to:

The decision to charge a student for violation of this Code of Conduct shall be made by the administration of the school. If the school administration is uncertain as to the interpretation of the Code of Conduct they are to contact Student Support or their respective Area Assistant Superintendent.

I. DISCIPLINE LEVELS:

A. Level 1 Discipline:

- Level 1 discipline is used for minor acts of misconduct which interfere with the good order of school.
- Following appropriate teacher intervention, students may be referred to an administrator.
- Consequences range from administrative conference to three (3) days of In-school Suspension (ISS) and/or restitution.

B. Level 2 Discipline:

- Level 2 discipline offenses are intermediate acts of misconduct.
- Students should be referred to an administrator.
- Consequences range from In-School Suspension (ISS) to five (5) days Out-of-School Suspension (OSS) and/or restitution.
- Repeated violations of any Level 2 offense may result in that violation being considered a Level 3 offense which may result in long term suspension/expulsion.

C. Level 3 Discipline:

- Level 3 discipline offenses are serious acts of misconduct including, but not limited to, repeated misbehaviors of a similar nature, serious disruptions of the school environment, threats to health, safety, or property and other acts of serious misconduct.
- Students must be referred to an administrator. Administrators will notify the appropriate Area Assistant Superintendent, Student Support, and the Cobb County School District Department of Public Safety (Public Safety), as well as other law enforcement agencies as deemed appropriate. Consequences range from out-of-school-suspension to permanent expulsion and may include referral to apply to the Alternative Education Program (AEP). All students accepted in the District's AEP will be on contract, which will include behavior and attendance objectives.
- **NOTE:** Any misconduct that threatens the health, safety, or well-being of others may result in immediate suspension of the student from the school and/or school-sponsored activities for up to ten (10) school days, pending disciplinary investigation of the allegations.
- **NOTE:** Schools may recommend that a student be considered eligible to apply to attend the AEP during his/her long-term suspension/expulsion. Upon this recommendation or a decision of the District Hearing Officer/Panel, expelled/long-term suspended students may attend AEP pursuant to a contract. If the student violates the terms of the contract, he/she may forfeit the opportunity to attend the AEP during the remainder of his/her expulsion or long-term suspension, pursuant to the Order of the Hearing Officer/Panel and/or the terms of the contract. The student may appeal his/her dismissal from the AEP to the District administrator for the supervision of the AEP. The student may also receive further discipline, in addition to the reinstatement of his/her expulsion or long-term suspension.

D. Removing Disruptive Students from the Classroom:

Georgia law requires that after any student accrues five (5) days of unexcused absences in a given school year, the parent, guardian, or other person who has control or charge of that child shall be in violation of Georgia Code Section 20-2-690.1(b). Any child that is subject to compulsory attendance who, during the school calendar year, has more than five days of unexcused absences is considered truant. The law states the following:
