

KM-R Visitors to School

7/19/18

RATIONALE/OBJECTIVE:

The Cobb County School District (District) will make reasonable efforts to accommodate parent/guardian requests to visit a school, yet it also recognizes concerns for the welfare of students. Part of that concern is to assure that students and staff are not distracted from the task of learning by the presence of visitors on campus.

For information concerning professional visitors and observers, see Administrative Rule ML-R (Professional Visitors and Observers).

RULE:**A. LIMITATIONS ON WHO MAY VISIT:**

To ensure the safety and confidentiality of students, the District limits visitors to:

1. The parents/guardians of current students;
2. Other family members of current students who are approved by the student's parent/guardian; and
3. Those persons invited by the District for official business.

B. PROCEDURES:**1. All Visitors:**

Upon request, the Principal or designee may, at his/her discretion, grant permission for visits by the parents/guardians of current students, other family members of current students who are approved by the student's parent/guardian, and those persons invited by the District for official business. To minimize disruption to the instructional program, visits to classrooms or programs or requests to meet with specific personnel must comply with the following guidelines:

- a. All visitors must sign-in at the school office and obtain written permission to visit any part of the school;
- b. Visits generally require notice at least 24 hours in advance;
- c. Parents/guardians may observe for up to one hour during a classroom visitation. However, individuals who are invited by the District for official business may be granted extended time periods as necessary to perform their functions at the discretion of the District;
- d. Classroom visitations are not a time for parent-teacher conferences, and parents/guardians should not expect teachers to conference with them at these times;
- e. The regular school program must continue during such visits so parents/guardians must refrain from engaging the attention of the teacher or students through conversation or other means.

2. Limitations:

In addition to the limitations in Item B.1. above, parental visitation may be limited by means of a court order, including but not limited to a parenting plan.

C. UNAUTHORIZED PERSONS ON CAMPUS:

A student or employee may not have an unauthorized visitor. When an unauthorized person enters District property:

1. School personnel shall warn persons trespassing to leave facilities or properties. Persons who refuse are subject to criminal prosecution under the laws of the State of Georgia.

2. The presence or visitation of unauthorized persons in and about District facilities or properties may constitute trespassing and may subject violators to criminal prosecution under the laws of the State of Georgia.

D. DISRUPTION:

In accordance with state law, O.C.G.A. § 20-2-1181, it shall be unlawful for any person to disrupt or interfere in the operations of any school within the District. Any person violating this provision shall be guilty of a misdemeanor of a high and aggravated nature.
