SY 2009-2010

On June 10, 2009, the Cobb County Board of Education adopted a general fund operating budget of \$907,466,771 and a plan of compensation for 2009-2010 which established salaries within the Cobb County School District.

The step or level on the salary schedule reflects the rate of pay for services rendered. Step placement on the various salary schedules is based on qualifications and verified related experience. Movement within the salary schedule is based upon successful completion of one year of full-time work and contingent upon receiving an overall satisfactory performance evaluation.

These salary schedules represent a commitment by the people of Cobb County to finance and expect an educational program of continued superior quality for all students who reside in the Cobb County School District.
