Located just north of Atlanta, Cobb County is a dynamic, diverse community of approximately 608,000 residents. Cobb County is the home to Six Flags Over Georgia, Kennesaw Mountain Battlefield, Kennesaw State University, Big Shanty Museum, the Mable House Amphitheater, Cobb Energy Performing Arts Center and many more exciting places to visit.

Cobb County School District is the second largest school system in Georgia and among the largest in the United States, with a current enrollment of 107,274. Its student population grows by nearly 2,000 each year, and with more than 14,000 full-time employees, nearly 8,700 of whom are classroom teachers and other certified personnel, the School District is the largest employer in the county.

The Speech and Language Program of the Cobb County School District offers a wide variety of positions with opportunities to expand and specialize.

We have over 200 speech-language pathologists employed throughout the county in both full time and part time positions. Our therapists enjoy a complete benefit package, some of the most competitive salaries in Georgia and comprehensive staff development opportunities.

SLP's can receive full credit for experience in the field (even if work experience is not in a school setting)

The Cobb County School District served over 106,000 students during the 2006-2007 school year in the following facilities, including one new high school and two new middle schools:
