COBB COUNTY PUBLIC SCHOOLS GAINING RESULTS IN INTERVENTION AND PREVENTION

Student's Name _____ Date _____ School _____

Grade _____ Offense _____ Extracurricular Activity _____

Student: I have accepted the option given to me to attend the GRIP (Gaining Results in Intervention and Prevention) Program. In accepting this opportunity, I agree to abide by the guidelines and other conditions set forth in this program. I also agree to attend the session, arriving on time and remaining for the entire session. I understand that if I miss this session, I will be terminated from the program and the remainder of my suspension or involvement in extracurricular activities will be enforced.

Student's Signature _____ Date _____

Attendance of the student and parent/guardian is required. Maximum impact of the program is achieved when both parents/guardians attend the session.

Parents: I, the parent or guardian of the above student, agree to attend the Gaining Results in Intervention and Prevention Program (GRIP) in order to provide my student the opportunity to continue his/her educational program.

I understand that my student and I must attend this session on the date assigned by the school system's program coordinator.

I understand that if either student or parent appears to be under the influence of alcohol or other drugs while in attendance both will be terminated from the program, with the remainder of the student's suspension enforced or other action as the school system deems appropriate.

If you believe your student needs additional support, contact your local school counselor to arrange for one free assessment with a therapist in the community.
