

GREETINGS CHALKER!

I am so thrilled to have the opportunity to join the Chalker community again! My family has lived in the Chalker district for many years. Both of my children came through Chalker, and I was a teacher here for several years. I feel like I am getting to come home. Chalker has always been a place that embodies a welcoming, caring community, and I look forward to continuing that tradition, as well as, promoting the learning and success for all of our students.

A little about me...

I have been with the Cobb County School District for the past 20 years. I have taught all grades at the elementary level between general education and special education. I have also taught and coached at the high school level. I worked as an Educational Program Specialist and Assistant Principal for the past few years. I now have the privilege to serve the Chalker community as the new principal.

I have two children. Madison (21) will be a senior in college and Josh (18) will be a freshman in college this year. My husband is also a principal in the district. It will be a change in our home this fall when both children are gone.

I look forward to getting to know everyone and being a part of the wonderful place that is Chalker!
