**You can register using most internet enabled devices*

Optional:

If you are not able to register online, you may register at your local elementary school on March 18, 2020 8:30-11:30 a.m.

Our goal is to register your student efficiently and effortlessly through this safe and secure system. The enrolling adult can register all students in their family at one time. This tool will provide the convenience of entering information with the ability to save the work for later completion.

If you have a current Cobb county student, you will need to use your ParentVue account to register additional new students. Current families that do not have a ParentVue account will need to contact their local school to receive a ParentVue activation code prior to completing the Online Registration for your new student.

If you were unable to upload the Enrollment Documents, you will need to come to the local elementary school on March 18, 2020 from 8:30-11:30 a.m. to submit the Enrollment Documents for your student to be verified. Check the school website for more information.
