

Scholastic Summer Reading Challenge Login Tips

1a. When logging into the Summer Reading Challenge, your computer screen may look like this. Do not use the Log in navigation on the left side of the screen, as that is not connected to the Summer Reading Challenge student log in.

1b. Instead, scroll down until you see the blue Login button. Clicking on this button will provide the correct way to get to your own personal student dashboard.

2. When logging in with your Summer Reading Challenge username and password provided by your school, enter them into the boxes, then click on the “Go” button.

A screenshot of the 'Sign in now.' form. It has a red header with a close button (X). Below the header, there is a 'User Name' field and a 'Password' field. A red 'Go' button is positioned to the right of the password field. Below the fields, there are links for 'Summer Reading Challenge Privacy Policy' and 'Forgot your password? We can help'. At the bottom, there is a red 'Join Now' button that is crossed out with a large black X. An arrow points from the 'Go' button to the 'Join Now' button.

Do not click on the “Join Now” button

3. You are almost in! Just enter a new password (make it easy to remember, and it has to be at least six characters), then select and answer the security question. Click SUBMIT.

A screenshot of the 'Create a New Password' form. It has a red header with a close button (X). Below the header, there is a red 'Go' button. Below the 'Go' button, there are two password fields labeled 'Choose a password' and 'Re-type password'. Below these fields, there is a section for 'Choose a security question and enter the answer below. If you ever forget your password, you'll need to answer this question to sign in.' There is a dropdown menu for 'Select question' and a text input field for 'Your Answer'. At the bottom right, there is a red 'SUBMIT' button.
