

Leap ahead this summer with reading!

Relax, play, and have fun this summer. Keep reading, too! By reading 20+ minutes a day, students avoid the "summer academic slide" and maintain or advance academic gains.

The Cobb County School District's Library Media Education department is once again partnering with Cobb and Smyrna Public Libraries and Marietta City Schools for our summer reading programs!

In lieu of reading logs, our schools have signed up to participate in the Scholastic Summer Reading Challenge, a free online reading program that invites children to log their reading minutes. We encourage all students to read and log minutes again this summer.

Join in the Scholastic Summer Reading Challenge and log your reading minutes! Summer reading helps maintain academic gains and start next year off right. For more information and reading resources, visit <http://www.cobbsummerreading.com>.

**[Click here to log your minutes with Scholastic.](#)**

Instruction for student registration, log-ins, passwords and logging minutes are located on the parent letter. Students were asked to change their password to **"read2017."** Cobb public libraries have been made aware of this.

If your child forgets his or her summer reading username, please contact your public library or contact Scholastic at 1-800-SCHOLASTIC.

Have a wonderful summer!
