2011 Dowell Reflections Winners!

Thank you to all students who submitted art work for the PTA Reflections Program! Today, the Reflections committee hosted an ice-cream party for all participants and announced the first and second place winners whose art work has already been delivered to our local PTA council for the next round of judging.

A special thanks to Anne Gordon, Devin Gordon and Dana Anderson who worked tirelessly for the past month to distribute program information, arrange judging, and get art work in the required format for the next round of judging!
