

June 20, 2017

Dear Garrison Mill Families,

I would like to take this opportunity to introduce myself and tell you how excited I am to be joining the Garrison Mill team as your assistant principal. I look forward to meeting and getting to know your children and each of you as we begin the next school year. Garrison Mill has a strong reputation of community involvement and student success. I know this does not happen without your dedication and support. I look forward to working in partnership with you and the staff to continue all of the wonderful things already happening that make Garrison Mill a great place for the students and community. We will have many opportunities to get to know each other, but I would like to share just a little bit about who I am personally and professionally.

I am a native to Cobb County and a graduate of McEachern High School and Kennesaw State University. My husband and I live in Roswell and have 5 children ranging in age from 16 to 30. We also have a 2 year old granddaughter who is lots of fun and keeps us busy. Being nearly empty-nesters we have more time to travel and to do a variety of things around town. In my free time, I like to read, go treasure hunting in antique and decorating shops and build wood furniture.

Professionally, I have been an educator in the district for 21 years where I have taught in a variety of grade levels. I have proudly served in the Lassiter community at Rocky Mount Elementary for the past 12 of those years. Most recently I was a School Leadership Intern for 3 years, and 9 years prior to that I was a kindergarten teacher. Earlier in my career, I taught a several grade levels at Cheatham Hill Elementary and Baker Elementary. I have a strong passion for teaching and learning and serving students. I look forward to joining the Garrison Mill team as we engage, inspire and educate your children.

I am honored to have the opportunity to work with your children and look forward to serving as your assistant principal.

Sincerely,

*Tracie Bucy*
