### Hendricks Students

Hendricks Elementary School students joined staff and parents to develop ideas about how they can be successful:

- Students will read books on independent level and write about them.
- Students will consistently use math strategies taught in the classroom.
- Students will review progress and set personal goals for improvement.

### Teachers, Parents, and Students — Together for Success

#### At Home

- Review progress reports received from the teacher and set goals with my child.
- Encourage my child to use math strategies to show his/her thinking.
- Set a time for my child to read and write/talk about what they are reading daily.

#### In the 4th Grade Classroom

The 4th Grade staff will work with students and their families to enable students to master the following:

**At school, we will:**

- Conference with students and keep parents informed of student progress.
- Model and use hands-on math strategies to help students develop conceptual understanding in math.
- Model how to use reading, writing, and written response to literature strategies in small groups and individual conferences.

### Our Goals for Student Achievement

#### District Goals

By the end of the 2018-2019 school year, 100% of the schools and district will use our collaborative data-driven process, Cobb collaborative Community (CCC), to improve learning.

CCSD will increase the participation rate of families and communities engaging in services/programs by 10% as measured by Parent Vue data, survey results & web view module.

By the end of the 2018-2019 school year, 100% of the schools and district will use a common assessment to measure the impact of professional learning which will, in turn guide decisions on how best to support teachers and leaders in high poverty/needs schools.

#### School Goal(s) and Focus Areas

**ELA Goal**

Increase by 20% the number of students writing on grade level as measured by practice GA Milestone rubrics (3-5) and student response rubrics in (K-2) during the 2018-2019 school year.

**Math Goal**

Increase by 20% the number of students performing on grade level in math as measured by practice GA Milestone (grade 3-5) and MI (K-2) during the 2018-2019 school year.
**What is a School-Parent Compact?**

This School-Parent Compact for Achievement is a voluntary agreement jointly developed by parents, teachers, and students at Hendricks Elementary. The School-Parent Compact outlines the shared responsibility of the school, parents, and students to support the goals of the Cobb County School District as well as the goals of Hendricks Elementary for improved student academic achievement. It explains how we will work together to make sure all students reach grade-level standards.

**Jointly Developed**

The parents, students, and staff of Hendricks Elementary school developed this School-Parent Compact for achievement. Meetings are held each year to review the compact and make changes based on student needs.

---

**Activities to Build Partnerships**

**Open House – August 30, 2018, 6pm-7:30pm**
Meet your child’s teacher, school staff, get information on Standards, and receive materials/ideas of activities to be done at home with your child.

**Writing Celebration – Oct. 10, 2018**
Parents had the opportunity to observe the writing mini-lesson in order to gain an understanding of how their child is being instructed in writing. In addition, parents learn how to give writing compliments using the grade-level accountable talk being taught in Writer’s Workshop. Parents were able to give feedback as to what writing elements they noticed.

**Read Across Hendricks – March 1, 2019**
We invite you and community members to celebrate reading with our students and staff.

More family fun nights will be coming.
Detailed information will be given via flyer, callout, website, blogs, and marquee.

---

**Communication about Student Learning**

Hendricks Elementary School is committed to frequent two-way communication with families about children’s learning. Some of the ways you can expect us to reach you are:

- Weekly folders, flyers, and newsletters
- Parent-Teacher Conferences
- Updates on the school website, Remind 101 messages, emails, blogs, callouts, See Saw, Class Dojo, and Progress Reports.

**Do you have questions about your child’s progress?**
Contact your child’s teacher by phone (770) 819-2387 or e-mail (located on the school website at www.cobbk12.org/hendricks).
