LUNCH BUNCH	To provide positive social opportunities for students to engage with others from around the school. Students eat lunch and enjoy talking with new friends playing games, dancing, etc. in an accepting environment.	Activities vary weekly but may include: cornhole, Bingo, Uno, life-sized Jenga, Legos, coloring, etc. Past activities include games, arts & crafts, holiday parties	Amy Moor	Most Fridays during lunch in the 8th grade commons	Watch for announcement via rolling announcements
MAKERS CLUB	Studies show that when students are given ownership of a project, they excel far beyond our expectations. Empowering students to make decisions and search out solutions ignites resourcefulness and internal satisfaction. The Makerspace Club will include sixth, seventh and eighth grade students who are interested in creative endeavors, planning, organization, research and teaching others	As the facilitator, I have created 10 goals for the club: Determine what sorts of activities will be included in the school makerspace; be the first to test each activity and work out the kinks; become the “resident experts” of the makerspace activities so that they can teach others; organize the makerspace area; advertise the makerspace around school; research possible activities to add to the makerspace; seek out donations for new materials.	Amy Pease Beth Russell	TBD Meet in Makers Space	Watch for announcement via rolling announcements
MATH COUNTS	To allow students the opportunity to collaborate and engage in problem solving & enrich the experience with Math. Open to 6 th – 8 th graders.	Three county Math competitions on Monday nights throughout the year - One county competition on a Saturday - Georgia state competition	Janet Grooms Jenny Bobb	Wednesdays – 8:00 am	Watch for announcement via rolling announcements
ORCHESTRA - CHAMBER	To provide enrichment for more advanced players in orchestra		Paul O'Keefe Michael Tompkins	Monday mornings 8:00 – 8:45 am. (For specific times & dates, refer to the Orchestra Calendar on the website)	Watch for announcement via rolling announcements

Just turn up and participate, must have permission form filled out. Forms will be passed out at the first meeting.
SCIENCE OLYMPIAD	One of the premier science competitions in the nation, providing rigorous, standards-based challenges to a team of 15 students. Science Olympiad's ever-changing line-up of events in Science, Technology, Engineering, & Math (STEM) disciplines, exposes & energizes our students to a variety of career choices & dynamic content experiences.	Our team has been in existence for 5 years. In that time, our best showing was 2nd place in the regional competition, and we went on to place 9th in the state competition. Planned Activities: Dodgen Invitational in November 2018, & Regional Competition in spring of 2018 with another showing at the state competition to follow.	Katherine Thomas (We need many parent volunteers interested in helping us organize.)	Meetings in Commons	This club asks that you submit teacher recommendations in early Fall. Watch for announcement via rolling announcements
