

School Council Meeting 04/22/2015

Attending: Leslie Juhn, Marion Proper, Garrett Grashuis, Teresa Mullaney, Laura Montgomery, Adria Casey, Tara Riddle, and Sheila Shelton

Meeting commenced at 7:50

Pledge of Allegiance

Old Business: Testing is now over, and it went well according to administration. They will rethink how the test is given orally and online. One glitch encountered on Tuesday of testing as the online site went down.

Scores should be available at some point in October. It is expected that the scores that “exceed” requirements will go down, while those that “meet” requirements will go up.

Any issues students had with the test (erasures, re-writing) need to be brought to the state so that they can be addressed.

It was suggested to have a meeting for parents that will explain the scoring of the test.

New Business: Nominations are needed for new members of School Council. A form will be placed in the Husky Highlights. Parents can vote for 3 new members and will be given 1 week to complete voting.

There will be a Cluster meeting in May. The date and time are to be determined.

It was suggested to have a safety patrol, and possible student volunteers from the Beta Club help in the new parking lot in the fall.

The meeting was adjourned at 8:27AM.

Respectfully submitted,

Leslie Juhn
