Hillgrove Fine Arts Department has achieved state, regional, national and international recognition in Band, Orchestra, Chorus, Theatre, and Visual Art.

Class of 2016 Senior Project

Seniors must complete a Senior Project in conjunction with their Senior English class. Seniors are to create a product with a mentor and research a topic related to the product. For much of the semester, they compile a portfolio of their apprenticeship-type experience as well as their research.

On Senior Project Night, seniors present details of their mentoring experience to a panel of community and teacher judges. The 8-10 minute presentation showcases both the product and research over the semester, as well as their portfolios that include letters to the judges, personal resumes, time logs, journal entries, photos and other memorabilia.

Senior Project is project-based learning at its best.

Athletic Accomplishments
