

Hillgrove High School

*Updated
Version*

2017-2018 Freshman Registration Handbook (Class of 2021)

INTRODUCTION

Welcome to Hillgrove High School — Home of the Hawks! We look forward to your arrival in August 2017. We know that you will continue working hard during the second semester of middle school to prepare yourself for the transition to high school. The following information will be helpful to you and your parents in making course selections for the 2017-2018 school year. Please read this handbook carefully.

Hillgrove High School is currently on a 4x4 Block schedule, which allows you to take eight classes each year. 4x4 means that you will take four classes during the first semester and four different classes during the second semester. During each semester, the four blocks of instruction will be about 90 minutes long. A typical high school schedule includes two core and two elective classes each semester; however, depending on the courses selected, some schedules may have 3 core during a semester (see sample schedules on page 7).

All 9th grade students are automatically enrolled in a combined Health & Personal Fitness course that is completed during one semester. Health and Personal Fitness are required for graduation. Students who complete 3 units of JROTC receive credit for Health & Personal Fitness and do NOT have to take the Health & Personal Fitness class.

During registration, your 8th grade teachers will recommend your core classes based upon performance criteria and your academic achievement. You, with your parents' assistance, will select your elective courses. It is important for you to consider which college and/or career pathway you will complete in high school and choose courses in which you are interested. If you have questions about registration or course selection, then you and your parent(s) should attend our **8th Grade Parent Night on Thursday, January 26, at 7:00 p.m.** in the **Hillgrove High Theater**. Your 8th grade counselor can also answer registration questions.

Hillgrove High School
4165 Luther Ward Rd.
Powder Springs, GA 30127
(678) 331-3961

Administration

Principal..... Christian Suttle
Assistant Principal Leander Brooks
Assistant Principal Robert Horn
Asst. Principal/Specialized Services Administrator.....George Morgan
Assistant Principal Samuel Sanford
Assistant Principal/Athletic Director Sherri Thoroughman
Assistant Principal Jessica Tibbetts

School Counseling Office
(based on student last name)

A – Col Peggy Hurst
Com – G Sonya Cook
H – K (Dept. Chair) Lisa McCormick
L – O Heather Boyle
P – St (504/RTI) Rebecca Moore
Su – Z Jacqueline Medley

Department Chairs

English..... Sylvia Spruill
Mathematics Christina MacIntyre
Science..... Nikki Bisesi
Social Studies..... Stefani Blackmon
World Languages Andrea Radford
Fine Arts David Doke
Career Tech..... Allen Harris
Health/PE Susan Milam
Special Education..... Annette Tucker

Important Dates

Date	Time	Event	Location
Jan. 26	7:00 p.m. – 8:30 p.m.	8 th Grade Parent Night	Hillgrove Theater
Feb. 6 – 10		Middle School Registration	
Feb. 8	9:00 a.m. – 10:00 a.m.	Registration Q & A	Lost Mountain Middle
Feb. 9	8:30 a.m. – 9:30 a.m.	Registration Q & A	Lovinggood Middle
Feb. 28	6:00 p.m. – 8:00 p.m.	Advanced Academics Night	Hillgrove Theater
Mid-April		Registration Verification forms (includes all course requests)	Mailed to all 8 th grade parents
Mid-April to April 28	Registration Verification Drop/Add/Waiver Forms		Drop off at Hillgrove
April 20	8:30 a.m. – 3:30 p.m.	Q & A for Drop/Add & Waiver	Hillgrove Counseling
April 28		LAST DAY FOR COURSE CHANGES & WAIVERS!	
July (TBA)		Freshman Boot Camp	Hillgrove High School

Making the Transition from Middle School to High School

An important part of your freshman year is learning the culture, traditions, and expectations of Hillgrove High School. High school is very different from middle school. You will have greater freedom in high school as well as greater responsibility (for example, you'll get to sit wherever you want at lunch and talk to your friends as you move from class to class). Your most important responsibility as a high school student is earning good grades. In order to be successful, you must complete all assignments (homework, projects, etc.) when they are due. You must actively participate in class, asking questions if something is unclear. And you must be a responsible learner, advocating for yourself by asking your teacher for extra help if you begin to fall behind.

The Academic Program: Credits, Promotion, and GPA

Our 4x4 block schedule enables you to take eight courses each academic year. Course credit is earned in Carnegie units by earning a minimum grade of 70 in the course. Each earned unit of credit counts toward the total needed for graduation. **In order to be promoted to the 10th grade, you must earn credit in math, science, and English and earn at least 5 total units.** If you fail 9th grade math, science, or English, then you will be retained in 9th grade, and you will have to retake the course that you failed. Be a responsible learner and get help before you fall behind! **Every** course you take (whether you pass or fail the course) is used to calculate your Grade Point Average (GPA). Performing well in a class affects your GPA positively, while performing poorly in a class affects your GPA negatively. It is important for you to know that 9th grade is not a "practice year" when it comes to grades. In other words, your freshman grades count just as much as the grades you earn as a junior or senior, and college admissions' officers will see all of your grades. All high school grades are used to calculate your Cumulative GPA, and all academic courses count toward eligibility for the HOPE Scholarship program.

Athletic Eligibility

In the fall semester, all first year freshmen are eligible to participate in all sports. However, in order to maintain athletic eligibility for the spring semester sports, students must pass 3 out of 4 courses in the fall.

Future Plans

It is Hillgrove's hope that our students become life-long learners with the knowledge, skills, and values necessary to compete successfully as honorable and productive citizens in a global society. We expect our students to continue their education after high school graduation and throughout adulthood. Post-secondary education for some students might be a traditional four-year college or university, a two-year (community) college, a technical college or institute, or a vocational program. Other students may choose to join the United States Armed Forces or enter the workforce after high school. As you begin your high school career, please keep your post-secondary plans in mind. Students can graduate by meeting the minimum *state* requirements; however, many colleges have admissions criteria that exceed these minimum requirements. NCAA Clearinghouse has its own requirements for athletes. It is your responsibility to become familiar with the requirements and criteria of whatever post-secondary option you choose. **Do your homework early!** Requirements can differ from college to college and between programs of study. Requirements may also change from year to year. The best place to find college admissions' information is directly from the college's website, and it's never too early to begin looking. Another great resource for college and career planning is www.gafutures.org, and our professional school counselors are always here to assist with any post-secondary plans.

High School Graduation Requirements (for students entering the 9th grade for the first time in 2012-2013 and subsequent years) The State Board of Education offers one common set of requirements for all students to earn a regular diploma. In order to receive a diploma, students must satisfy these requirements.

Subjects	Georgia High School Diploma
English	4 Units Including: 1 Unit 9 th Grade Literature/Composition 1 Unit American Literature/Composition 2 additional English units
Mathematics	4 Units Including: GSE Algebra 1 GSE Geometry GSE Algebra 2 1 additional math unit
Science	4 Units Including: 1 Unit Biology 1 Unit Chemistry or Earth Systems or Environmental Science 1 Unit Physics or Physical Science 1 additional science unit
Social Studies	3 Units including: 1 Unit World History 1 Unit United States History ½ Unit American Government/Civics ½ Unit Economics
CTAE Foreign Language Fine Arts	3 Units from any of these areas Though there is no foreign language requirement for the Georgia High School diploma, students planning to enroll in ANY post-secondary institution are strongly encouraged to earn two units of credit in the same modern language/Latin. NOTE: Students planning to enter or transfer into a University System of Georgia institution MUST take two units of the same modern language/Latin. All students are encouraged to complete a college and/or career pathway by earning 3 units of credit in a coherent series of courses leading to college readiness and/or a career readiness certificate endorsed by related industries. Students may choose from any of the CTAE pathways, a fine arts pathway, a world language pathway, or an advanced academic pathway. See your professional school counselor for specific pathway courses.
Health and Physical Education	1 Unit Including: ½ Unit Health ½ Unit Personal Fitness NOTE: Students who earn 3 units in JROTC will have met the health & personal fitness requirement.
Electives	4 Units
TOTAL UNITS MINIMUM	23 Units

*Unit credit may be awarded for courses offered in the middle grades that meet 9-12 GPS or GSE requirements.

*No course credit may be awarded for courses in which instruction is based on the GPS for grades K-8.

*Completion of diploma requirements does not necessarily qualify students for the HOPE Scholarship Program.

REGISTRATION DIRECTIONS

Your eighth grade teachers will evaluate your achievement level, work habits, and current grades to recommend the **academic core** classes for which you should be registered. Scores on the GA Milestone EOG assessments and placement tests may also be used to determine correct course placement.

YOU must select your **elective** courses and alternates. Since all ninth grade students are required to take Health and Personal Fitness (BPE) as their first elective, you will need to select three more electives and two alternate electives. Follow the steps listed below to complete the registration process:

1. Read this registration handbook completely including course descriptions. This information will provide you with descriptions of the academic core courses and help you make good elective choices. Review and discuss elective choices with your parents.
 - Core courses are listed as a reference only and are marked with **TR** (*Teacher Recommendation*). Your teachers will choose these courses.
 - Students who enroll in "Combo Courses" (band, chorus, orchestra, Spanish III) must use **TWO ELECTIVES** for these courses and record both course numbers on their registration worksheet.
 - Foreign language courses are elective courses; teachers do NOT recommend these courses. You must use one of your electives to select a foreign language.
2. Select **three (3)** elective courses and **two (2)** alternates from the elective courses listed in the course section of this handbook. Using the Hillgrove Elective Course Registration Worksheet (the **orange page** at the end of this registration handbook), record the course title and course number for each elective and alternate in the spaces provided. Sign the worksheet at the bottom in the space provided.
 - Parents should review these courses and sign the completed registration worksheet at the bottom in the space provided.
3. Return the completed and **signed** registration worksheet to your teacher. Your teacher will check your elective and alternate course selections and attach the worksheet to the Official Registration Form that contains your academic core classes for which you have been recommended. Then the course requests will be input into the scheduling database.

***Students who do not return the orange Elective Course Registration Worksheet will forfeit their opportunity to select their own electives.**

4. **WAIVER PROCEDURES:** We will mail a Registration Verification form in April showing all of the courses (both academic core and electives) for which you are registered. If any of the courses listed on the form are incorrect or you disagree with a course recommendation, then follow the directions on the form to change the course(s). ***By changing the recommended course, you assume responsibility for the placement and accept the level of rigor that the new course presents. Once a course change has been fulfilled, it will not be reversed.

Sample student schedules: 4x4 block

Sample 4x4 Block Schedule: Core & Elective courses – This is a typical schedule that includes the 4 core classes, health & personal fitness (BPE), and 3 additional electives.

<u>Fall Semester</u>	<u>Spring Semester:</u>
1 st Block: 9 th Lit/Composition	GSE Algebra 1
2 nd Block: Health/BPE (elective 1-required)	Visual Art: Comprehensive (elective 3)
3 rd Block: Intro Business & Tech (elective 2)	General PE (elective 4)
4 th Block: Biology	World Geography

Sample 4x4 Block Schedule: Band, Chorus, or Orchestra– Students who enroll in performing arts classes must enter **both course numbers** on their registration form.

<u>Fall Semester</u>	<u>Spring Semester:</u>
1st Block: Band 1 (elective 2)	Band 2 (elective 3)
2 nd Block: French I (elective 4)	Hnrs Biology
3 rd Block: Hnrs Geometry	Health/BPE (elective 1-required)
4 th Block: Honors 9 th Lit/Comp	Pre-AP Social Studies
(Performing arts classes are taken both semesters on a block schedule)	

Sample 4x4 Block Schedule: Foundations of Algebra – Students who are not prepared for Algebra 1 will be recommended for Foundations of Algebra before entering Algebra 1.

<u>Fall Semester</u>	<u>Spring Semester:</u>
1 st Block: World Geography	Latin I (elective 3)
2 nd Block: Foundations of Algebra (elective 2)	Algebra 1
3 rd Block: Health/BPE (elective 1-required)	9 th Lit/Composition
4th Block: Biology	Intro to Graphics & Design (elective 4)
(Students take Foundations of Algebra during semester 1 and Algebra 1 during semester 2)	

Sample 4x4 Block Schedule: Navy JROTC– Students choosing NJROTC are encouraged to enroll in both Cadet Field Manual & Intro to NJROTC, but taking both courses is not required.

<u>Fall Semester</u>	<u>Spring Semester:</u>
1 st Block: GSE Hnrs Algebra 1	Fundamentals of Drama I (elective 3)
2 nd Block: Hnrs Spanish II (elective 2)	Hnrs Biology
→ 3rd Block: NJROTC—Cadet Manual (elective 1)	NJROTC—Intro NJROTC (elective 4)
4 th Block: AP Human Geography	Hnrs 9 th Lit/Comp
(or)	
→ 3rd Block: NJROTC—Cadet Manual (elective 3)	Health/BPE (elective 1-required)

2016-2017 Course Offerings for Incoming Freshmen

English: 9th Literature/Composition
Honors 9th Literature/Composition
ESOL 9th Literature/Composition

Mathematics: Foundations of Algebra
GSE Algebra 1
GSE Honors Algebra 1
GSE Geometry
GSE Honors Geometry
GSE Honors Algebra 2
GSE Accelerated Geometry B/Algebra 2

Science: Biology
Honors Biology

Social Studies: World Geography
Pre-AP Social Studies
AP Human Geography

Electives:

World Languages: French I
Latin I
Spanish I / Spanish II / Honors Spanish II / Hnrs Span II & Hnrs Span III

Fine Arts: Band
Chorus
Orchestra
Fundamentals of Drama I
Visual Arts: Comprehensive

Career Technical: Audio & Video Technology & Film I
Introduction to Business & Technology
Introduction to Digital Technology
Introduction to Drafting & Design
Introduction to Graphics & Design
JROTC – Navy
Marketing Principles

Phys Education: Health & Personal Fitness-BPE (Combined Course)
General PE
Aerobic Dance
Weight Training (must be participating in a sport)

English/Language Arts

Course Name/Description	Course Number	Prerequisite	Units
9th Grade Lit/Comp is a college prep class which integrates composition, grammar, and literature. It covers the writing process; the development of vocabulary, speaking, listening, and researching skills will also be included.	23.0610011	TR and 9 th Grade Placement Chart	1.0 EOC
Honors 9th Grade Lit/Comp is an accelerated college prep course designed for the student who has a serious interest in the interpretation of literature. It integrates writing, grammar and usage, speaking and listening. It includes reading a variety of literary genres: short stories, novels, poetry, drama, and nonfiction. It also emphasizes oral and written response to literature.	23.0610007	TR and 9 th Grade Placement Chart	1.0 EOC (earns 0.5 quality point)
ESOL 9th Grade Lit/Comp is a college prep class which integrates composition, grammar and literature. It covers the writing process; the development of vocabulary, speaking, listening and researching skills will also be included. Adaptations in presentation are made to accommodate ESOL students.	23.0610099	TR and 9 th Grade Placement Chart	1.0 EOC

Mathematics

Course Name/Description	Course Number	Prerequisite	Units
Foundations of Algebra & Algebra 1 Foundations of Algebra is a first year high school mathematics course option aimed at students who have reported low standardized test performance in prior grades and/or have demonstrated significant difficulties in previous mathematics classes. This course will provide many opportunities to revisit and expand the understanding of foundational algebra concepts, will employ diagnostic means to offer focused interventions, and will incorporate varied instructional strategies to prepare students for required high school mathematics courses. Students will take Foundations of Algebra during the 1 st semester and Algebra 1 in the 2 nd semester.	27.0481011	TR and 9 th Grade Placement Chart	1.0
	27.0990009		1.0 EOC
GSE Algebra 1 is the first course in a sequence of three required high school courses designed to ensure career and college readiness. The course represents a discrete study of algebra with correlated statistics applications. Students will gain a foundation in linear, quadratic, and exponential functions, and will gain a deeper understanding of such concepts as domain and range, intercepts, increasing/decreasing, relative maximum/minimum, symmetry, end behavior, effect of function parameters, and describing data.	27.0990011	TR and 9 th Grade Placement Chart	1.0 EOC
GSE Honors Algebra 1 contains all of the standards included in the on-level algebra course with a few additional standards and explores the concepts at a deeper level. This course is intended for students who complete AC Math 8 or who excel in Math 8.	27.0990003	TR and 9 th Grade Placement Chart	1.0 EOC (earns 0.5 quality point)

<p>GSE Geometry is the second course in the sequence and represents a discrete study of geometry with correlated statistics applications. Units of study include transformations in the coordinate plane, similarity, congruence, & proofs, right triangle trigonometry, circles & volume, geometric & algebraic connections, and applications of probability.</p>	27.0991011	GSE Algebra 1 and TR	1.0 EOC
<p>GSE Honors Geometry contains all of the standards included in the on-level geometry course with a few additional standards and explores the concepts at a deeper level. This course is intended for students who complete Algebra 1 in the 8th grade or who excel in Algebra 1 as a 9th grade student.</p>	27.0991003	GSE Algebra 1 and TR	1.0 EOC (earns 0.5 quality point)
<p>GSE Honors Algebra 2 is the third course in a sequence of honors courses designed to ensure that students are prepared to take higher level mathematics courses during their high school career. This course contains all of the standards as the on-level course with a few additional standards and more depth of knowledge.</p>	27.0992003	GSE Geometry and TR	1.0 (earns 0.5 quality point)
<p>GSE Accelerated Geometry B/Algebra 2 consists of the second ½ of GSE Geometry and the entire GSE Algebra 2 course. This is the second in a sequence of three accelerated courses designed to enable students to take higher level mathematics courses during their high school career including Advanced Placement Calculus AB & BC and Multivariable Calculus.</p>	27.0995003	GSE Accelerated Algebra 1/Geom A and TR	1.0 EOC (earns 0.5 quality point)

Science

Course Name/Description	Course Number	Prerequisite	Units
<p>Biology is a required course in which the students will learn and understand biological functions and systems on the cellular, genetic, evolutionary, systematic, and ecological levels. Students will also be able to implement applications of biological processes to everyday situations.</p>	26.0120011	TR and 9 th Grade Placement Chart	1.0 EOC
<p>Honors Biology is an accelerated course designed for students interested in pursuing advanced sciences or careers in the science or engineering fields. Students will learn and understand biological processes that occur on the molecular, cellular, systemic, and environmental levels. Students will also be able to implement applications of biological processes to everyday situations.</p>	26.0120003	TR and 9 th Grade Placement Chart	1.0 EOC (earns 0.5 quality point)

Social Studies

Course Name/Description	Course Number	Prerequisite	Units
<p>World Geography provides an overview of physical and cultural geography. An awareness of similarities and differences in human needs and behaviors is developed. Geographic education focuses on the themes of location on Earth's surface, place characteristics, relationships within places, movement, regions that lead to an understanding of social, economic, historic, geographical, and physical features of the planet on which we live.</p>	4 5 . 0 7 1 1 0 1 1	TR and 9 th Grade Placement Chart	1.0
<p>Pre AP Social Studies follows the Honors World Geography Curriculum. The course also incorporates the World History Curriculum, foundations to 1000 A.D. In addition, the course introduces 9th grade students to AP Social Studies skills, including writing and critical thinking. <u>The purpose of the course is to prepare Social Studies students for AP World History in the 10th grade</u> and follow the college Board's concept for an Advanced Placement Pathway.</p>	4 5 . 0 7 1 1 0 0 7	TR and 9 th Grade Placement Chart	1.0 (earns 0.5 quality point)
<p>AP Human Geography introduces students to the systematic study of patterns and processes that have shaped human understanding, use, and alteration of the Earth's surface. Students employ spatial concepts and landscape analysis to analyze human social organization and its environmental consequences. Examines methods and tools geographers use in their science and practice. Follows the Advanced Placement Geography Curriculum.</p>	4 5 . 0 7 7 0 0 9 5	TR and 9 th Grade Placement Chart	1.0 (earns 1.0 quality point)

Special Education

Students receiving services through the special education department have had an Individualized Education Plan (IEP) developed to meet their educational needs. Each student should complete the registration form with the help of his or her IEP team (parent, case manager, and regular education teacher) to ensure that the requirements in the IEP are met.

World Languages

Course Name/Description	Course Number	Prerequisite	Units
<p>French I is an introduction to the language and culture of France and other French-speaking countries. The course will enable students to attain a beginner's level of proficiency in listening, speaking, reading, and writing, with an emphasis on oral proficiency.</p>	60.0110011	None	1.0
<p>Latin I is an introduction to the language and civilization of the Romans. The course is designed to develop a knowledge base composed of vocabulary, grammar, translation, derivatives, mottoes, abbreviations, quotations, life in ancient Rome and mythology.</p>	61.0410011	None	1.0
<p>Note: Students who complete French I or Latin I in 8th Grade and wish to continue that language in high school may choose the second or second & third level courses. See your current world language teacher for the appropriate course numbers.</p>			
<p>Spanish I is an introduction to the language and culture of Spain and other Spanish-speaking countries. The course will enable students to attain a beginner's level of proficiency in listening, speaking, reading, and writing, with an emphasis on oral proficiency.</p>	60.0710011	None	1.0
<p>Spanish II is designed to further develop listening, speaking, reading and writing with an emphasis on oral proficiency. The student will acquire a basic command of key vocabulary and grammatical structures necessary for limited personal communication as well as an appreciation of diversity in the Spanish-speaking world.</p>	60.0720011	Spanish I	1.0
<p>Honors Spanish II is designed for the student who has demonstrated superior facility in foreign language and offers a variety of opportunities for enrichment and oral work. ***Students must take a placement test and be recommended by the Hillgrove World Languages dept. to remain in this course. Students who request this course but do not score well on the placement test will be moved to on-level Spanish II.</p>	60.0720003	Placement Test and Dept Recommendation	1.0 (earns 0.5 quality point)
<p>Honors Spanish II & Honors Spanish III (This is a year-long class!) These courses are structured to provide a full year of Spanish language to further develop the student's communication skills and cultural appreciation of the Spanish-speaking world. Students will earn two credits upon successful completion of these courses. ***Students must take a placement test and be recommended by the Hillgrove World Languages dept. to remain in this class. Students who request this course but do not score well on the placement test will be moved to on-level Spanish II and an alternate elective. Note: Students taking Band, Orchestra, or Chorus who also want this year-long Spanish option should <u>strike-through Health & Personal Fitness</u> on the orange elective worksheet and write in both music courses and both language courses. These students will take Health/BPE in their 10th grade year.</p>	<p>*COMBO COURSE: Students use two (2) electives and enter both courses on their registration worksheet.</p> <p>60.0720000 60.0730001</p>	Placement Test and Dept Recommendation	2.0 (earns 0.5 quality point for each unit)

Fine Arts

Course Name/Description	Course Number	Prerequisite	Units
<p>Band I and Band II are the entry level Band performance classes that focus on the basic fundamentals of tone production, music reading, and performance. The band class focuses on the development of the combined ensemble. Students are placed in appropriate level band classes based upon auditions.</p>	<p>*COMBO COURSE: Students use two (2) electives and enter both courses on their registration worksheet. 5 3 . 0 3 6 1 0 9 9 5 3 . 0 3 6 2 0 9 9</p>	Audition	1.0 1.0
<p>Chorus I and Chorus II provides opportunities to develop performance skills and knowledge in choral singing. Covers performance and production, analysis and theoretical studies, historical and cultural contributions and influences, creative aspects of music and appreciation of music. Organizes objectives for self-paced progress through all four levels. Stresses individual progress and group experiences.</p>	<p>*COMBO COURSE: Students use two (2) electives and enter both courses on their registration worksheet. 5 4 . 0 2 1 1 0 9 9 5 4 . 0 2 1 2 0 9 9</p>	None	1.0 1.0
<p>Orchestra I and Orchestra II are the entry level orchestra performance classes that focus on the basic fundamentals of tone production, music reading, and performance. The classes focus on the technical development of the string instrument and the development of the combined ensemble.</p>	<p>*COMBO COURSE: Students use two (2) electives and enter both courses on their registration worksheet. 5 3 . 0 5 6 1 0 9 9 5 3 . 0 5 6 2 0 9 9</p>	6 th , 7 th , & 8 th Grade Orchestra Or Audition	1.0 1.0
<p>Fundamentals of Drama I serves as prerequisite for other theatre/drama courses. Develops and applies performance skills through basic vocal, physical and emotional exercises; includes improvisation and scene study and related technical art forms.</p>	5 2 . 0 2 1 0 0 9 9	None	1.0
<p>Visual Art: Comprehensive is a prerequisite for all other visual art classes. This class introduces art history, criticism, aesthetic judgment & studio production to the beginning art student. Emphasizes the ability to understand & use the elements of art & principles of design through a variety of media processes both 2-D and 3-D. A chronological study of the history of art and criticism accompanies the studio experiences.</p> <p>Note: Students who complete this course in 8th Grade and wish to continue in visual arts may choose another visual art elective. See your 8th Grade visual art teacher for a list of electives available to you.</p>	5 0 . 0 2 1 1 0 9 9	None	1.0

Career Technical (CTAE)

Course Name/Description	Course Number	Prerequisite	Units
<p>Audio & Video Technology & Film I prepares students for employment or entry into a postsecondary education program in the audio and video technology career field. Topics covered may include, but are not limited to: terminology, safety, basic equipment, script writing, production teams, production and programming, lighting, recording and editing, studio production, and professional ethics.</p> <p>Pathway Courses: 1. Audio & Video Tech & Film I 2. Audio & Video Tech & Film II 3. Audio & Video Tech & Film III</p>	1 0 . 5 1 8 1 0 9 9	None	1.0
<p>Intro to Business & Technology provides an overview of business and technology skills required for today's business environment. Knowledge of business principles, the impact of financial decisions, and technology proficiencies demanded by business combine to establish the elements of this course. Emphasis is placed on developing proficient fundamental computer skills required for all career pathways. Students will learn essentials for working in a business environment, managing a business, and owning a business.</p> <p>Pathway Courses: 1. Intro to Business & Technology 2. Legal Environment of Business 3. Entrepreneurship</p>	0 7 . 4 4 1 3 0 9 9	None	1.0
<p>Intro to Digital Technology is the foundational course for Web & Digital Communications, Programming, and Advanced Programming pathways. Exposure to foundational knowledge in hardware, software, programming, web design, IT support, and networks are all taught in a computer lab with hands-on activities and project focused-tasks.</p> <p>Pathway Courses: 1. Intro to Digital Technology 2. Computer Science Principles 3. AP Computer Science A or Programming, Games, & Apps</p>	1 1 . 4 1 5 0 0 9 9	None	1.0
<p>Intro to Drafting & Design is the foundational course and pre-requisite to all other Architectural Drawing & Design courses. Emphasis is placed on safety, correct use of tools and equipment, drafting media, sketching, lettering, fundamentals of CAD and multi-view drawings.</p> <p>Pathway Courses: 1. Intro to Drafting 1. Intro to Drafting 2. Architec Draw/Desgn I 2. Survey of Enginr Grphcs 3. Architec Draw/Desgn II 3. 3-D Modeling & Analysis</p>	4 8 . 5 4 1 0 0 9 9	None	1.0

<p>Intro to Graphics & Design is the foundational course for both the Graphics Production and Graphics Design pathways. This course provides students with the processes involved in the technologies of printing, publishing, packaging, electronic imaging, and their allied industries. In addition, the Graphics & Design course offers a range of cognitive skills, aesthetics, and crafts that includes typography, visual arts, and page layout.</p> <p>Pathway Courses: 1. Intro to Graphics & Design 2. Graphic Design Production 3. Adv Graphic Design or Adv Graph Output Processes</p>	4 8 . 5 6 1 0 0 9 9	None	1.0
<p>JROTC Navy (NS1) – Cadet Field Manual JROTC Navy (NS1) – Intro to NJROTC The purpose of these courses is to help students understand the missions, goals, and opportunities available as members of the NJROTC program. The course combines all information on military drills and ceremonies, uniform regulations, physical fitness, principles of health, first aid, survival, leadership, and communications. This course will also introduce students to the basic principles of leadership, which combined with the many opportunities for practical experience in the NJROTC program will prepare them for leadership roles in school and upon graduation. Students will gain an understanding of our nation, our values, traditions, heritage, respect for our laws, as well as becoming involved, responsible citizens.</p> <p>Note: Students who enroll in both courses should <u>strike-through Health & Personal Fitness</u> on the orange elective worksheet and choose another elective. Students who earn three (3) units of JROTC are not required to take the Health & Personal Fitness course.</p>	<p>2 8 . 0 2 1 0 0 9 9</p> <p>2 8 . 0 2 2 0 0 9 9</p> <p>(New cadets are encouraged to choose both courses so that they are enrolled in JROTC both semesters. Students must use two electives and enter both courses on their worksheet for this option.)</p>	None	1.0 1.0
<p>Marketing Principles addresses all the ways in which marketing satisfies consumer and business needs and wants for products and services. Students develop a basic understanding of Employability, Foundational and Business Admin skills, Economics, Entrepreneurship, Financial Analysis, Human Resources Management, Information Management, Marketing, Operations, Professional Development, Strategic Management, and Global Marketing strategies.</p> <p>Pathway Courses: 1. Marketing Principles 2. Intro to Sports & Entertainment Marketing 3. Advanced Sports & Entertainment Marketing</p>	0 8 . 4 7 4 0 0 9 9	None	1.0

Physical Education

Course Name/Description	Course Number	Prerequisite	Units
<p>Health & Personal Fitness(BPE) Health provides a direct and factual approach to health education that is practical, personal, and positive. Topics include safety, drug education, nutrition, personal health, growth and development, building self-esteem, and relationship skills. By acquiring the knowledge, attitudes, and skills necessary to a healthful life, students learn to take responsibilities for their own health. Personal Fitness is designed to help students understand why exercise and fitness are important in developing a healthy and active lifestyle. The course will emphasize strategies for maintaining good cardiovascular endurance, flexibility, muscular strength and endurance, and body composition.</p>	3 6 . 0 5 8 0 0 9 9	All 9th grade students are automatically enrolled in Health/BPE	1.0
<p>General Physical Education focuses on and enhances skills in any combination or variety of team sports, lifetime sports, track and field events, outdoor education experiences, rhythmic/dance, recreational games, gymnastics, and self-defense. It further promotes methods to attain a healthy and active lifestyle. The General PE course may be used as a prerequisite for other course offerings (i.e., team sports, lifetime sports, outdoor ed., and weight training)</p>	3 6 . 0 1 1 0 0 9 9	None	1.0
<p>Aerobic Dance is designed to introduce students to a rhythmic program of activities and health related fitness. The course will provide a balance of instruction each week developing cardiovascular endurance, flexibility, and muscular strength and endurance. Activities may include rhythmic jogging, running, aerobic dance, slimnastics, stretching exercises, and creative movement exercises.</p>	3 6 . 0 5 3 0 0 9 9	None	1.0
<p>Weight Training Due to the limited space in weight training, 9th grade students may not elect to take this class. If you are participating in high school athletics, contact your coach about taking this class. If your coach indicates that you should enroll in this class, then write the sport and coach's name in the "Course Name" space on the elective worksheet. Leave "Course Number" blank.</p>	Write the name of the sport and the coach's name in "Course Name" Leave Course # blank	Recommendation by high school coach only

2017-2018 ELECTIVE COURSE REGISTRATION WORKSHEET

- Directions:**
1. Complete the student data box.
 2. Use the “**2017-2018 Freshman Registration Handbook**” to select electives 2, 3, & 4. Enter them in the spaces provided. Also choose two (2) alternate electives.
Note: Health & Personal Fitness is a required class for graduation, and all 9th grade students are enrolled in this course.
 3. Both student and parent sign this form at the bottom in the space provided.
 4. Return the completed form to your teacher.

Student Name _____ , _____ <div style="display: flex; justify-content: space-between; width: 100%;"> Last First MI </div>	Cobb Student ID# _____ <div style="text-align: center;">(6 or 7 digits)</div>
Address _____	City/State/Zip _____
Parent Name _____	Phone _____

***Core courses are listed in the student registration handbook as a reference only. **Students do not choose their core courses.** Eighth grade teachers use current grades, work habits, and academic performance to determine in which courses students should be placed. GA Milestones & placement tests may also be used to determine course placement. Please discuss core recommendations with your 8th grade teacher for that class.

***Foreign Language **IS** an elective and must be entered on this form. Your teacher does NOT enter it.

	Course Name	Course Number
Elective 1 (Required)	Health & Personal Fitness(BPE)	3 6 . 0 5 8 0 0 9 9
Elective 2		□ □ . □ □ □ □ □ □ □ □
Elective 3		□ □ . □ □ □ □ □ □ □ □
Elective 4		□ □ . □ □ □ □ □ □ □ □

Every effort will be made to schedule the courses selected above. In some cases, the classes selected result in a scheduling conflict. If the conflict cannot be eliminated, one (or both) of the alternate courses will be used to replace the course(s) causing the conflict. **Courses listed as alternates can appear on your schedule!**

Alternate 1		□ □ . □ □ □ □ □ □ □ □
Alternate 2		□ □ . □ □ □ □ □ □ □ □
