

## **2014-2015 DRESS CODE**

School officials will make the interpretation of what is acceptable dress. Students who are judged to be inappropriately dressed will be placed in ISS and will be required to sign the school's dress code violation log. Students will be given an opportunity to change clothes, to call parents for a change of clothes, call for permission to go home to change clothes and return to school or will remain in ISS for the remainder of the school day. If a student remains in ISS for dress code violation, classes missed will be unexcused. Repeat offenses will result in further disciplinary action.

It is expected that every student will maintain the level of personal hygiene and safety necessary to ensure a healthy school environment and will refrain from any mode of dress which is distracting to classroom instruction or which contributes to the disruption of the normal function of the school.

Hillgrove High School complies with the Dress Code of CCSD.
