

Students of Kell High School! Are you the smartest kid in your class? Do you enjoy exercising your brain? If so, you may be perfect to attend the Governor's Honors Program in Valdosta Georgia this summer. GHP is a 6 week program which caters to the best and brightest in the state. If you are presently a sophomore or junior, and you think you are qualified, approach your subject teacher and ask him or her to nominate you for Governor's Honors.

Teachers: If you have a student whom you think is qualified and willing to participate in GHP, please e-mail me at karl.mattle@cobbk12.org and I will e-mail you the application forms. The applications must be filled out electronically, then printed, and the required signatures obtained. I need to have the completed applications in to me by Tuesday, October 13.

Home School parents can obtain GHP applications from Alison Coker at alison.coker@cobbk12.org or personally from her at the CCSD central office at 524 Glover Street, Marietta, GA.
