

Teachers at Kell High School utilize the Pinnacle software application to record student grades and attendance.

Pinnacle Internet Viewer (PIV) replaced i-Parent for internet access to student grades and attendance. PIV will be available beginning Monday, August 24, 2009. Access PIV from the CCSD website at: <http://www.cobbk12.org>

New PIV users are required to present proper ID and sign a CCSD PIV User Agreement to obtain a user ID and password. This can be accomplished during Open House on Thursday, August 27, 2009 at 7:00 pm.

If you have an existing PIV account, you DO NOT need to obtain a new account.

Multiple students within a family in middle and high schools are available through the same account
