

Credit Extension Contract for Fall 2018

Student Name _____ Student ID# _____

Class in which student is attempting to repair credit _____

Course Number: _____ Teacher: _____

Final grade of student for the course in which he/she will be repairing credit _____

- Areas of work that must be completed successfully to average a 70% in the course (modules for GRADPOINT): Teachers, once a signed contract is returned to you, please pull up the Gradpoint program and **print and highlight the sections the student is to complete.** Use the section below to indicate any work you are requiring not on GradPoint. Then turn the application and GRADEPOINT assignments to 316.
-
-
-
-
-

- **Teachers**, Applications/ GradePoint Assignments must be turned in by 8 Jan 2019 by 10:00 am Applications are to be turned into room 316

The parent signature below indicates our agreement to the following:

- All classes will be delivered via the Grad Point program. There will be no direct instruction although teachers will be available to assist students with question during class.
- Classes will take place from 3:45. until 5:15 p.m., Monday-Friday in Room 218 .
- Students with a class average of 60%-69% may be placed in this course, beginning Jan 09 2019. **All work must be completed by the 18th of January at 5:15 pm..**
- Grad Point can be accessed at home. Students are encouraged to work at home and bring questions to class. All tests are to be taken at school under teacher supervision.
- **Students will be allowed to do credit extension in only one course.**
- **There is no charge for these classes. Payment is 100% ACTIVE ATTENDANCE**
- Students and parents will sign a contract to receive this opportunity.
- **Students must be in attendance every day with no exception.** One absence will remove a student from the program. There will be a strict tardy policy as well.
Parents initial: _____ Students initial: _____
- Once a student has mastered the skills to reach a 70% average in the course, he/she will be finished with the remediation class and will not be required to attend the remaining days. For example, if a student has a 69 average in the class, it probably won't take as long to master the skills needed as a student who has a 65 average in the class.
- Parents or students must provide their own transportation.

By signing this contract, you agree to the terms of this Credit Extension opportunity.

Parent Signature _____ Date _____
