

SY 2019 Scheduling Information:

Elective registration starts Monday, March 12th and ends Friday, March 23rd.

ACADEMIC CORE COURSE WAIVER- This form needs to be completed and signed by the student's parent when the student wants to move up or down a level which is contrary to the recommendation of the school. For example, he/she has been recommended for on-level American Lit and would like to challenge themselves and feels they can handle Honors American Lit. Or vice-versa, recommended for Honors Gov/Econ and they prefer to take on-level Gov/Econ. *This is NOT to change an elective they have requested but would rather not take.* **The deadline for submission of waivers is March 30, 2018.**

ACCELERATION FORM- This form is needed when a student would like to double up, during the same school year, in an Academic Core class. For example, he/she has taken their required English class the 1st semester and would like to take another English class the 2nd semester. They may do this for any number of reasons, such as, getting ahead and challenging themselves, attempting to graduate early or trying to catch up if they failed an academic core class and need to repeat it. *This is NOT to change an elective they have requested but would rather not take.* **The Acceleration form deadline is March 30, 2018.**
